

Employee Internet and Computer Acceptable Use and Safety Policy Agreement Form

I have read and do understand the school district policies relating to safety and acceptable use of the school district computer system and the Internet and agree to abide by them. I understand that should I commit any violation, my access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action may be taken.

I further understand that if I am a supervising teacher that I agree to promote these policies with the students. Because the student may use the Internet on the school district computer system for individual work or in the context of another class, I cannot be held responsible for the student's use of the Internet on network. As the supervising teacher I do agree to instruct the student on acceptable use of the Internet and network and proper Internet etiquette.
