Meal Account and PIN Information

- Every student who goes through our cafeteria line will use a unique Personal Identification Number (PIN) to access his or her account. Parents have the option to add any denomination to the account for the purchase of meals and snack items. It is a convenient way to ensure that money is not lost or forgotten during the hectic morning rush.
- **What is the PIN?** Each student has been issued a unique, five-digit PIN. Parents can find their child's PIN in the CCPS Home Access Center (HAC). Once you sign on, the Cafeteria PIN will be located in the emergency section. Please help your child remember their number. It makes the line move faster and ensures that everyone has plenty of time to enjoy their meal. If they do happen to forget the number, the cashier will be able to find it for them.
- **How do I put money on the account?**
 - Visit www.myschoolbucks.com and set up a free account that allows you to add any value to the cafeteria account with a credit card. (There is a service provider fee for each transaction).
 - Send in cash or a check to your school's cafeteria. The cafeteria manager will add it to the account. Checks made payable to your child's school.
 - The money added to the account can be used to purchase meals AND snack items.
- **Can I monitor what my child is purchasing?** Visit www.myschoolbucks.com and set up a FREE account. Once you complete the simple registration process, you can set up low balance alerts and monitor purchases made in the cafeteria.
- **What happens to my account at the end of the school year?** Money that remains on your child's account will carry over from year to year. The account will also automatically transfer to any Carroll County Public School.
 - If your child graduates or no longer attends a CCPS school use this link to let us know if you would like the account balance transferred to a sibling, donated, or refunded. <https://forms.office.com/r/ieips12AQ>
