

GIRLS ON THE RISE SUMMER NEWSLETTER

July 2024

The girls were proud to show off their spelling skills with their interactive vocabulary game. They worked in teams to spell and define new words while racing against the clock. Homework Hangout has made learning and studying fun and has noticeably increased their confidence in spelling and word recognition.

The girls also shared their circle time with the sponsors, discussed what they love about Girls on the Rise, and extended positive words of affirmation. We uplift each other!

Thank You, Sponsors!

We'd like to thank all of our Girls on The Rise sponsors for supporting our girls throughout school year 2023-2024.

We were pleased to welcome our sponsors who attended our Spring Sponsorship Visit at the Merrick Center in May. Thank you for coming to visit our girls, spending time with them, and getting to know them and our program activities better. You are major influences in their lives, and we hope you continue to be a part of their journeys.

Sponsorship renewal for our 2025-2027 cohort begins now! Please keep an eye out for Commitment Letters from us in the mail. You can also visit our website and submit one online. If you have any family or friends who may be interested in joining the Sponsorship Initiative by either joining a sponsorship group or becoming an individual sponsor, please do not hesitate to reach out to Stephanie Farrell at sfarrell@christchilddc.org. We welcome anyone associated with Christ Child to inquire about the opportunity to sponsor one or more of our amazing girls!
