

## **Pre-Algebra Textbook Online**

1. Go to <http://www.bigideasmath.com/students/>
2. ***There is no login or password to access the online textbook.***
3. Under the section called “Home Edition,” select “Common Core” and hit “Go.”
4. The textbook you want to click on is the red textbook in the middle called “Accelerated.”
5. On the left side of the page, there will be a table of contents with all the chapters in the textbook. Click on the chapter you are interested in and a list of the sections will appear. Then click on the section you are interested in to see that in the virtual textbook.
6. For extra practice or to study, within the list of sections for a chapter there are links to different assessments that you can complete.
7. To go back to the list of chapters, click on “Main” at the top of the list of sections of a chapter.
8. Feel free to play around in the textbook because there are many useful and interesting parts. If you have further questions, please talk to me and I will try to explain and help you use the online textbook.
