Here's your chance for adventure: the STEM Program! Mt. Zion Intermediate School students are invited to join this after school activity designed to challenge you to think like a scientist, experiment, use digital tools, and have fun!

When: Tuesdays and Thursdays, starting November 15, from 3:15-4:15.

Where: Mt. Zion Intermediate School, room 401

Who: Mt. Zion **6th grade students**

How: Ask your parents to complete the application online at: <https://goo.gl/forms/1fwejR2vQcd7kQW72> or apply through the link on the Mt. Zion Intermediate School Webpage.

Why: Space is limited to the first 20 eligible students, so reserve your spot today! Applications are due by November 9th.

Questions: rotzl@mtzion.k12.il.us

Don't miss this opportunity that is provided through a grant from ADM.
