1. **All current Juniors and Seniors who want to park in the Whitehall High School parking lot MUST have a valid Pennsylvania driver's license, not a learner permit.**

The Whitehall-Coplay School District is not responsible for damage to vehicles**.**

3. **Student parking tags are available to be used in the Whitehall High School parking lot on a first-come basis in YELLOW SPOTS ONLY.** There will be no assigned spaces. There are a limited number of yellow student parking spaces available. Students are not permitted to park in Staff parking spaces or visitor parking spaces. Students not parked in yellow student parking spots will be subject to WHS disciplinary action.

4. **Student parking tags are provided to students at NO COST. Students MUST have a parking tag to park in the Whitehall High School Parking Lot.** Once the online form is completed by a parent/guardian, a student parking tag may be picked up by a student or parent/guardian at the Whitehall High School Main Office.

5. **The School Resource Officer, Whitehall Township Police, and WHS Security monitor the school district property, including parking areas.** Citations for speeding, failure to stop at stop signs, etc. will be issued. WHS administration reserves the right to have any illegally parked cars towed at the owner's expense.

6. **Students may have their parking privileges revoked by the Whitehall High School administration.**

1. Any student failing to abide by these regulations will face Whitehall High School disciplinary action and suspension of student parking privileges at a length of time determined by the administration.
2. For example, upon the student's fifth (5) late to school, third (3) unexcused/illegal absence, or persistent violations of the discipline code, the student may have their parking privileges revoked for the balance of the semester.
3. Students who receive a Loss of Privilege letter may have their parking privilege revoked for the remainder of the school year.
4. In order to gain their parking privilege back, students must receive written permission from the Building Principal.

7. **Administrators may enforce a search of a vehicle parked on the campus of the Whitehall-Coplay School District** anytime there is a reasonable suspicion that the vehicle or contents therein may pose a danger to the health, safety, and welfare of other students or staff or when there is reasonable suspicion that its contents may be disruptive to the educational process. This is governed by WCSD Policy 226.

8. **Permission to park at Whitehall High School also implies permission that a student has permission to drive home from Whitehall High School for any reason for dismissal.**
