TOUCHBASE ONLINE PAYMENTS

Touchbase payment portal works in conjunction with your **Family Access login and password** to allow online payments with VISA and MasterCard debit and credit cards. The website securely accepts payment over the internet any time of the day or night; payments are reflected on the student's account within a few hours of payment. The District does not store credit card information, but past receipts can be reprinted at any time.
For any Touchbase questions, please email or call your school office.
