

Lesley University/Teacher Residency Program

M.Ed. Inclusive Special Education Leading to Initial Licensure in one area: Moderate Disabilities (PreK-8), Moderate Disabilities (5-12) or Severe Disabilities (All Levels)

Required Course Sequence Sheet

It is recommended that each student meet with their Lesley University academic advisor at the beginning of the program to discuss program policies and resources. The following program of study sequences courses in their required order. The Lesley University academic advisor must approve any deviations from this sequence.

All courses are Lesley University courses, including those held at the collaborative school location, and students must officially register for each course through the university.

Pre-requisite: EEDUC 5122 Child & Adolescent Development or equivalent

*Students must pass the Massachusetts Test for Educator Licensure (MTEL) required for their licensure area prior to the start of the spring semester. For current information on state testing requirements for initial licensure programs, test preparation and study resources, and the Lesley University test policy, see Lesley's Certification Office web page at www.lesley.edu/certification or speak to your Lesley advisor.

**Students must take EECLD 6115 in order to receive SEI endorsement for licensure. May be taken at any point in the program.

There is an Affiliation Fee associated with the program. Payment is assessed with registration for the Practicum and Seminar.

Practicum registration requires application and permission; www.lesley.edu/field-placement.

Lesley University reserves the right to unilaterally add, withdraw, or revise any course offering in the above-mentioned program of study, including policies, provisions, requirements, and fees.

Lesley University is an Affirmative Action/Equal Opportunity institution and does not discriminate on the basis of age, race, religion, color, creed, national or ethnic origin, sex, sexual orientation, handicap or disability in its education programs, employment, or in admissions to, access to or treatment in its programs or activities.
