

KBA **District or School Websites**

KBA

(See DB, DC, ECH, IDAE, II, IIBG, JBC, JR et seq., and KB)

The board may establish a district website and may allow creation of websites for individual schools. The district website shall be maintained and updated as directed by the superintendent or the superintendent's designee. The school websites shall be maintained and updated as directed by the principal or the principal's designee.

Website Rules

Detailed rules relating to websites are found in appropriate handbooks or in documents approved by the board and filed with the clerk and/or principals.

Website rules shall include the following areas:

- data privacy and FERPA regulations;
- copyright rules, relating to access and use of materials and the property rights of the district, students, and employees who create material;
- instruction on what information and materials will be prominently posted on district and/or school homepages, which shall include, but may not be limited to:
 - a copy of Kansas State Department of Education's Form 150 estimating the legal maximum general fund budget as well as the budget summary for the current school year and actual expenditures for the immediately preceding two school years showing total net dollars of transfers and dollars per pupil as specified in Kansas law, using the full-time equivalent enrollment of the school district for such required calculations;
 - district budgets, the summary of the proposed budget, the needs assessment, and the state assessment documentation described in board policy DB;
 - the board's policy for the part-time enrollment of students; and
 - a copy of any nonacademic test, questionnaire, survey, or examination containing any questions about the personal and

private attitudes, values, beliefs, or practices of the student or the student's parents, guardians, family members, associates, friends, or peers that is administered during the school day in accordance with board policy IDAE.

- the boards and administration's right to determine website content and monitor use by employees and students.

District and school websites are maintained to support the public relations and educational programs of the district and/or the schools. Websites may be modified or terminated at any time by board action.

General Information

Student Privacy Rights (See JRB)

Identifiable student images shall not be posted on district or school websites without prior written permission from the student and, if under 18, the student's parent or guardian. The mailing address, telephone number or other personally identifiable information about any student shall not be posted on district or school web sites. All applicable requirements of the Family Educational Rights and Privacy Act (FERPA) shall be followed.

Copyrighted Material Posted On Websites (See KBA)

Any original materials created by students are owned by those students. Original materials will not be posted on district or school web sites without prior written permission of the student who created the work. _____ (Webmaster/Principal, etc.) shall be in charge of monitoring permission to post copyrighted materials.

Software Copyright (See ECH)

Software acquired by staff using district or school web sites, and installed on district computers, must comply with copyright laws. Proof of purchase (copy or original) must be filed in the district office.

Downloading Copyrighted Materials (ECH)

Students and staff shall not download copyrighted materials without prior, written permission being obtained from the author or creator of the material in question. See ECH for "fair use exceptions" which may allow for limited use of copyrighted materials.
