**FOR IMMEDIATE RELEASE:  
LSC announces changes in administration**

The Lafayette School Corporation is announcing changes in its administrative team.

Dr. Katie Reckard has been named the new Assistant Superintendent for Secondary Curriculum and Instruction. Reckard previously held this position from 2016 to 2021; she is currently the Assistant Superintendent for Special Education, a position she has held since 2022.

Reckard replaces Dr. Laurie Rinehart, who has taken a position outside the corporation.

Lissa Stranahan will become the Director of Special Education for LSC. She is currently the Director of GLASS (Greater Lafayette Area Special Services).

An announcement on the Director of GLASS position will come at a later date.

Les Huddle, LSC Superintendent, says he has great confidence in these changes.

“We have an administrative team that works well together,” he says. “We will continue to collaborate on how to achieve the very best educational outcomes for all our students.”

All changes are effective August 1, 2024.
