# Program terms and conditions

1. The Packaged Savings program is available to UMR ASO medical customers with 100 to 5,000 total eligible employees. New ASO medical customers purchasing UnitedHealthcare fully insured specialty products or existing ASO medical customers adding new UnitedHealthcare fully insured specialty products may qualify. Packaged Savings is not available on previously sold specialty and medical combinations, or for migrating or replacement UMR or UnitedHealthcare specialty products.
2. The applied savings are available for the initial 12 months that eligible benefits remain in force and meet eligibility requirements. Packaged Savings credits will not extend beyond 12 months for the same plan, either when previously provided to a customer or due to a change in a customer's plan benefits. Credits will be withdrawn when any medical or specialty plans terminate. The 12-month Packaged Savings credit cannot overlap or be combined with other medical pricing programs, offers or waivers of fees.
3. Per employee per month savings is given as a monthly credit reflected in the base medical administrative fee and applies to the number of enrolled UMR ASO medical subscribers.
4. Employee enrollment in qualifying dental and vision plans must be 50% of the enrolled medical employees for Packaged Savings to be activated.
5. Short-term and long-term disability plans must be fully insured.
6. Life insurance plans qualifying for Packaged Savings must have a minimum life benefit of \$25,000 and must be sold with a supplemental life plan.
7. Standard participation requirements apply for all Financial Protection coverages (supplemental life, short-term disability, long-term disability, critical illness, accident and hospital indemnity).
8. Life insurance plans qualifying for Packaged Savings must completely replace existing life plans or be added to customers with no prior coverage.
9. Customers who have existing basic and supplemental life plans with another carrier must place both the basic and supplemental life insurance plans with UnitedHealthcare to qualify for Packaged Savings.
10. Customers who add ASO medical products to existing dental, vision, life, disability and/or supplemental health lines of coverage qualify for Packaged Savings credit (a.k.a. Reverse Packaged Savings).
11. Specialty benefits can be added off-cycle from the existing medical or specialty benefits effective date and will be eligible for up to 12 months of Packaged Savings as long as medical coverage remains in force and plans meet eligibility requirements.
12. UMR and UnitedHealthcare retain sole and complete discretion to revise or terminate the Packaged Savings program at any time.
13. UMR Preventive Plans are not eligible for Packaged Savings administrative credits.
14. Specialty benefit plans and the Packaged Savings program may not be available in all states or for all group sizes. Contact your UMR or UnitedHealthcare sales representative for program availability.
15. The combined maximum savings administration credit applied cannot exceed the medical ASO administrative fee. If a group qualifies for additional credit considerations in combination with the Packaged Savings credit and those credited dollars exceed the billable ASO administrative fee, the Packaged Savings credits will be adjusted for a minimum billed medical ASO administrative fee greater than \$0.00.
