

Let us do the work for you!

The Schuylkill Valley School District Food Service Department would like to encourage all families to join the effort of living a healthier lifestyle. As part of this effort the food service department at the Elementary School is offering healthier options for classroom celebrations and birthday treats.

The Food Service Department can provide snacks that meet the National “Smart Snacks” guidelines for these celebrations. There are a variety of treats available for you to choose from, including gluten free snacks and snacks for children with food allergies. While everyone loves food for their celebrations, do not forget that there are many other options to choose from. Some examples are Spirit Sticks, Smencils, bookmarkers, and many other great ideas!

Please visit the Schuylkill Valley School District website at www.schuylkillvalley.org under “Food Services” to see the list of treats offered and obtain an order form. In order to plan for your celebration, please coordinate a date with the teacher and submit the treat order form and payment 2 weeks before the date needed. You may submit your orders in advance as well. Order form and payment should be returned to school in an envelope marked “Food Service Department”.

PLEASE NOTE: Any celebrations being held from May 15th to the end of the school year must be turned into the Food Service Department no later than May 1st.

Checks should be made payable to: **SVSD Cafeteria.**

Please call the Elementary School Cafeteria at 610-916-5715 if you have any questions.
