A Word From the Principal

LAST CALL - Round 1 Enrollment for the 2024-25 School Year closes Friday January 12th!

It's hard to believe that we're already talking about the next school year. **ALL K-12 families will use EnrollJeffco to indicate where their student(s) will be attending school for the next school year.** You will use [EnrollJeffco](#) whether your student(s) is re-enrolling at the same school, changing schools, or just starting in Jeffco.

The K-12 enrollment window for Round One is open until Friday, January 12 for the 2024-25 school year. **Please be sure to complete your enrollment for next year by January 12th.**

- For current 6th and 7th graders, you will be directed to either confirm your ongoing enrollment at Deer Creek or submit an application to enroll at a different school.
- For current 8th graders, you will either confirm you will be attending your neighborhood high school or submit an application to enroll at a different high school.

You can visit the [EnrollJeffco website](#) for more information.

Winter Student-Parent-Teacher Conferences

Student-Parent-Teacher Conferences will be held on Tuesday, January 23 and Thursday January 25 from 4:30-8:30 pm

continued...

A Word From the Principal, continued...

Our winter conferences are optional and are split into two types - team conferences and individual conferences. Team conferences are the priority for winter conferences and are by invitation only. These conferences will already be scheduled with families and those times will be blocked out in the online scheduler for teachers involved. Teachers will have a limited number of 5-minute individual conference slots depending on their involvement in Team Conferences. All winter conferences are In-Person only.

Beginning Friday, January 12, please visit the DCMS website to access the Signup Genius for scheduling the remaining available individual conferences online. If conference times are still available, you may choose to prioritize which teachers are most important to schedule.

- Due to teachers having a limited number of individual appointments, slots may fill up quickly.
- Have a copy of your student's 2nd Trimester schedule at hand when you enter the Signup Genius for easy reference.

Wishing you a Happy New Year,

*Rob Hoover
Principal*

From the Dean

Hello Mountaineers Families:

At the time of this writing, students have about nineteen weeks left of school, which seems to go by more quickly than we expect. There is a lot that will happen during these weeks inside and outside the classroom and we appreciate your continued partnership and support with guiding students to positive decision-making. When you have conversations with your student, I encourage you to help your student with reflecting on perspectives, awareness of the impact they have on others and others on them, and how difficult situations can be handled while still being respectful and kind. We all make mistakes, so helping your student understand the importance of, and how to take responsibility for their actions, repair harm, and moving forward with a lesson are important things to discuss as well. If you would like support with any of these discussion topics with your student, please reach out.

We have observed a number of students being dropped off at school prior to or near 8:00 a.m. **Please remember that our doors do not open for school until 8:40 a.m.** Prior to this time, staff members are not available for student supervision. Depending on temperature and weather conditions, administrators may, on occasion, permit students to enter the building at 8:30, which is when we have supervision available. **Please plan accordingly and do not drop your student off prior to 8:30.** The exception is if your student eats breakfast at school. The doors for breakfast are open from 8:20-8:25 and students must be eating and remain in the cafeteria. Thank you for your cooperation.

Despite the warmer days we had over winter break, there are still several months of cold weather ahead of us. Middle schoolers are notorious for not wearing coats to school; however, our lunch routine includes about 25 minutes of outside time every day as well as time in the morning waiting for school to begin. Please encourage your student to be prepared each day for the ranges of Colorado weather.

As always, if you have questions or need help with your student, please reach out to teachers, counselors or me. We are here to support your student!

Tardiness

Tardiness in school is a disruption to the learning process for the student, the teacher and the classroom. Students who are chronically late to school and classes are developing a poor habit and send a message to others that their time and effort is not valued or important. We ask that you support the learning environment by expecting your student to be on time to school. Almost all tardies, except those caused by school bus transportation problems, are avoidable: leave extra early during bad weather, set alarms at home for students walking, establishing good routines in the morning, and set the expectation at home that timeliness is not optional.

Please review the DCMS school expectations for tardiness and read below for school consequences that occur because of tardiness to 1st period.

- Students will be assigned a detention for every four unexcused tardy to 1st period.
 - ⇒ Students who have chronic tardiness to 1st period may have other school consequences which could include detention after school, an assignment, or school-based community service.
 - ⇒ Frequent excused tardies may be discussed with the family to determine if tardies will continue to be excused.

*This policy may be subject to change during the school as needed to address tardiness challenges.

MAP Test Scores

Student Insights in Campus – Winter MAP Scores Released

Student Insights is a secure online tool that makes it easy to access information about a student's district and state tests and their individual learning plans. It is a helpful way to check in on learning progress, review academic goals, and identify issues to talk about with teachers. The learning plans and tests included in Student Insights include CMAS, MAP Data, ACCESS for ELLS, READ Plans, and ALPs. Winter MAP data is now available in Student Insights.

Student Insights is confidential and may only be accessed by Jeffco students and their parents or guardians. Use the log-in user name and password you use for other district tools, such as Infinite Campus Parent Portal or Student Portal. [Click here](#) for instructions on how to access Student Insights.

Deer Creek Middle School PTO News

Happy New Year!! We hope it was a great time with family and friends! January seems like a short month with holiday break, MLK Day, and conferences, but there are many PTO events just around the corner! Read on for more information about Penny Wars/Wish Week and the 6th Grade Social.

We wrapped up December with a soup and sandwich staff luncheon. Each staff member also received gift cards and goodie bags provided by our generous families. There were also several raffle prizes for the staff. Please see the list of businesses who donated raffle items here. [Raffle Donors 2023](#)

TRANSPORTATION & CONSTRUCTION | GIRL™

Five Days Can Change a Life

The HOYA Foundation started Career Week for GIRLS™ to encourage more young women to pursue careers in transportation and construction. Why? Because only 11% of the construction work force is women. That fact carries economic implications and substantial opportunities.

Over one week, girls – ranging from 13 to 23 years old – make five stops to engage with women, ask questions and tour work sites. Each company puts together a day long insight into their company and into the industry. This program is free to those girls selected.

2024 dates are set!

June 3-7, June 10-14, June 17-21 or June 24-28

Submit your application before March 30

Penny Wars

Our annual Penny Wars competition will be held the week of January 29 - February 2.

Chatfield High School has sponsored a 'Wish Week' every year since 2014, in a partnership with the Make-A-Wish Foundation. The funds raised go directly to Kids For Wish Kids® to help grant more wishes. DCMS Penny Wars will run concurrently with Chatfield Wish Week. DCMS will participate in spirit days and support Chatfield's efforts by making a 15% donation from all the funds collected during our Penny Wars competition. Families are encouraged to donate to this worthy cause as well. Please email DeerCreekPTO1@gmail.com if you have questions.

All the money raised (after the 15% donation) will stay with the DCMS grade levels. Though all grades will still compete to see who can bring in the most coins and bills overall, PTO will earmark the grade-level winnings to supplement the cost of the class' Continuation celebration at the end of their 8th grade year. For example, the amount earned by this year's 8th grade during Penny Wars will be added to the PTO-sponsored budget for their Continuation party in May. Seventh grade will add to their fund this year and next, and 6th grade will add to their Continuation fund for a total of three years. 8th Grade Continuation is a really special event for our 8th Graders, and we want to make sure it continues to be great, even with rising costs. Penny Wars helps us supplement any budget shortfalls for the event. Plus, the kids get really excited about competing against the other grades. The current 8th Grade has won the past two years. Will 6th or 7th Grade knock them out of the winner's circle this year?

Volunteers needed during lunch periods to watch over the collection jars.

Milk Caps for Moooola

MILK CAPS for MOOOLA is a program sponsored by Longmont Dairy that helps students earn money for their school and students. Longmont Dairy milk caps are worth 5¢ each and are redeemable for cash! Turn in your clean caps to the Main Office! See our [PTO Fundraising](#) page for more details.

Use Raise Right to raise money for DCMS!

Turn everyday expenses into extraordinary opportunities for your organization by shopping with e-gift cards. Simply download the Raise Right app, select DCMS PTO as your non-profit (**Enrollment code: ZN9Q45J31UEF**), tie your checking account to the app, then you shop! Please email deercreekpto1@gmail.com or check out the [PTO Fundraising](#) page for more information.

If you are shopping at any major retailer, they more than likely are giving percentages back with the Raise Right app. That percentage is money that comes back to the school (if DCMS is selected as your non profit). There are always bonus specials you can take advantage of as well! It's a great way to shop and dine and earn money for the school at the same time!

Flannel and Frost 6th Grade Social February 9

2024 National Civics Bee

The Arvada Chamber of Commerce is excited to host the **2024 National Civics Bee**. The National Civics Bee is an annual competition that encourages young Americans to engage in civics and contribute to their communities. Middle school students with an idea about using civics to solve a problem in our community can participate in an essay competition for a cash prize! PLUS we are excited to give the Jeffco Middle School with the most essay entries at \$400 Library Donation.

To enter, students to submit a 500 word essay on the following via our [website](#):

Identify a problem facing your community. How might a citizen solve the problem? **Write a 500-word essay that includes the following:**

- What is the problem, and how do different members in your community or neighborhood view it?
- What civic principles or systems could help to address the problem?
- What is your idea or recommendation for solving the problem?
- What primary sources, such as the Declaration of Independence or the United States Constitution, provide supporting evidence or examples for your idea or recommendation?
- How might members of your community or neighborhood bring your idea or recommendation to life?

Essay submissions are due by **January 22nd** through our website. You can find out more and submit entries [HERE](#).

If students are chosen for the live event on April 16th they will be provided with a study guide to help them prepare. We do not expect schools to carry a preparation load or add additional curriculum to their planning.
