Dear Families,

I want to thank all of you for your support in helping us to follow our safety guidance regarding COVID-19. As a community, we have been able to limit the spread of the virus in school.

We want everyone to have a fun, enjoyable, and safe Halloween. Below is a link to the Town news article “Halloween Safety to Limit the Risk of COVID-19 Exposure” located on the Town of Norwell Website:

Please be mindful that the virus is increasing throughout the Commonwealth. While we hope children enjoy trick or treating, we are also very aware of how large gatherings can affect the spread of the virus, lead to students being quarantined, and possible school closures. Please continue your efforts to help your children and our students to follow safety guidelines.

Sincerely,

Matthew A. Keegan
Superintendent of Schools
