TOGETHER WE MAKE A DIFFERENCE

Week at a glance

Canobie Lake 7th (6/10) -- On Monday, the entire 7th grade will visit Canobie Lake Park to celebrate as a class (class of 2029). Students will enjoy games, rides, and share in fun experiences.

NMS Got Talent (6/12) -- The NMS Talent Show is on June 12th @ 6PM in the NMS cafeteria. The Talent Show was phenomenal last year! Tickets are \$5. Don't miss our students shine!

Step-up Day (6/13) -- On Thursday, we will host our annual Step-up Day. We were excited to see our students and happy to support their transition for next year!! Our incoming 6th, 7th and 8th grade students will have the opportunity to meet their future teachers, and enjoy different classroom activities with their new teams.

Move up Day 8th (6/14) -- Friday's Step-up Day is to allow the students to experience a comfortable and supportive impression of the high school. It's our hope that the positive energy and excitement they encounter throughout the morning will leave them feeling informed, empowered, and enthusiastic about being part of the high school community.

Playbook Initiative 6th (6/14) -- Grade 6 will be participating in an in-school Celtics Playbook Initiative workshop on Friday, June 14, 2024. The Playbook Initiative seeks to build more inclusive communities by eliminating hate speech and other acts of discrimination and bias. The goal of these workshops is to empower young people to build more inclusive communities in which everyone feels welcome and celebrated.

Field Day 8th (6/14) -- As we say farewell to the class of 2028, we will have our final 8th grade event outside with Italian ice, volleyball, cornhole, canjam, spikeball, chess, jenga and more!

TOGETHER WE MAKE A DIFFERENCE

Delilah Comes Back to the 6th Grade (6/7)

WDC's outreach team visited the 6th grade today to talk about the important role whales play in our ocean's ecosystem. Students walked into Delilah, a life-sized inflatable right whale to give our students the unique experience of going inside a whale!

NMS 8th Graders take DC

The 8th grade is heading home from a fun, educational trip to Washington D.C. We have seen everything from the Abraham Lincoln Memorial to the Udvar-Hazy Air and Space Museum. We had wonderful weather with just some small showers during our visit to Arlington National Cemetery. Students did an exceptional job! Many of the tour guides and adults we met along the way complimented our group for always saying "thank you" and for being polite and respectful. Amani Christmas

We're thrilled to share the incredible outcome of Project Amani Christmas with our families and students! As a reminder, we worked together to collect items for gift boxes that were sent to each child at the Amani orphanage in Tanzania.

The boxes were delivered last month, and to express his gratitude, Brain Williams created a heartwarming thank you video for our school.

It's a powerful reminder of how our kindness can truly make a difference.

Watch the video here: [Amani Christmas](https://vimeo.com/951227019) (<https://vimeo.com/951227019>)

Please don't hesitate to reach out to me, Mrs. Whitt or Mr. Dupille if you have any questions.

Thank you again for your amazing support throughout this project!

Regards, NMS Community Service Club
