Cradles to Crayons

With all of your help from the Norwell community, we have collected numerous bags of clothing for Cradles To Crayons! These donations will help a lot of students in Massachusetts and I am very grateful for everyone who participated. I want to thank my friends and the community service club for assisting in organizing this drive, and for helping me sort the donations.

Solar Eclipse

On Monday, April 8th, 2024 there will be the last Total Solar Eclipse in continental North America until 2044. The path of totality will be just North of Boston, with approximately 92% of the Sun covered in our viewing area.

We are inviting all of our families to view the eclipse at the Norwell Middle School back field. The school has purchased eclipse glasses for students and families to use. No one should look directly at the Sun as the eclipse is happening. Looking at the Sun could seriously damage a person's eyes.

We ask that all students be accompanied by their parent(s)/guardian(s) for the event.

(Please do not drop off)

When: Monday, April 8th, 2024

Where: NMS Back Field

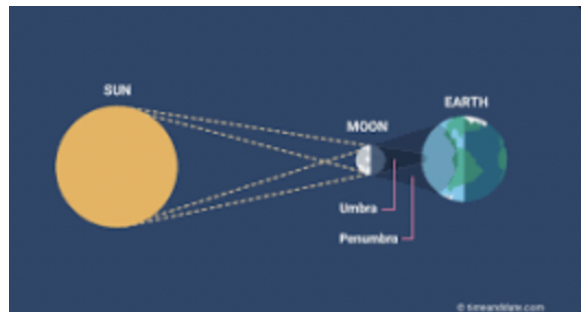

Time: Eclipse viewing at NMS starts at 2:30 PM

Parent/Teacher Conferences

Dear Families,

Spring parent-teacher conferences will be on **Wednesday, April 10th(12 to 2:30pm)** and **Thursday, April 11th (5 to 7pm)**. This year, all conferences will be held in person and will be ten minutes in length. Conferences are scheduled to allow parents to review their child's Semester two progress, and how to best support them moving forward. Please be advised, these conferences are not utilized to review upcoming student placement.

Note: Student placement for our 6th and 7th graders will be reviewed and sent out in May. After placements are sent out, parents are welcome to meet with me to review their child's placement.

Please review the following conference information and procedures for scheduling your appointments:

- "pickAtime" will be used to facilitate the scheduling process
- Conferences are on Wednesday, April 10th from 12:00 pm to 2:30 pm and on Thursday, April 11th from 5:00 pm to 7:00 pm (10 minutes in length)

- Scheduling will be on a first come first served basis and tend to fill up quickly
- pickAtime will be **open** to select appointments on **Monday, April 1st at 7:00pm**
- Appointment scheduling will close on Sunday, April 8th at 11:00 p.m.

Annie

We are excited to tell you about a school-wide Reading Challenge starting Term 3. For terms 3 and 4, we are encouraging your students to read **more!**

To help them on their way, we are devoting Friday Flextime to independent reading. **They** choose the books or magazines that they want to read.

And we could use your help!

According to [research](#), “effective programs include active parent involvement, partnerships among community institutions, and collaboration among significant adults in students’ lives.” Your help and support at home is a crucial factor in supporting reading development. So how can you help?

1. PUT BOOKS IN THEIR HANDS

Get books, magazines, and graphic novels that match your student’s interests. Head to the library. Hit a bookstore. Buy Lacrosse or Fortnite magazines—*whatever they’ll read!*

2. ENCOURAGE READING IN FLEX TIME

According to the research, reading is positively correlated with [a strong vocabulary](#), [higher math scores](#), [higher science and history scores](#), [strong writing skills](#), [higher scores on standardized tests](#), [reduced levels of stress](#), [increased empathy](#), [more brain connectivity](#), and [even a longer life!](#) Please encourage your student to read during Flex Friday.

3. KEEP IT GOING AT HOME

We know life is busy! We get it! But where could you encourage more reading? Before bed? Before screen time? On a long car ride? Read the same book as your child and watch the movie after finishing the book? Gift a grandparent the same book and do a child-grandparent book-club date? Think creatively to get students engaged with reading more at home!

4. DONATE BOOKS

If you have upper elementary school and/or middle school books and magazines that you are no longer using, we’ll take them! Drop donations in the READING PROGRAM BOX at drop off; we will shelf them around the school for students to use during Flex Friday!

HAVE USED OR UNWANTED MARKERS, PENS

WOODEN OR MECHANICAL PENCILS?

Last year the Norwell Recycling and Sustainability Committee successfully initiated a project to recycle crayons and continues to collect used or unwanted crayons. We are now adding markers, pens and wooden and mechanical pencils to our collections for recycling. We are working in partnership with Staples, which has recently added them to their list of materials that can be recycled.
