Assistant District Attorney, Amanda Fowle

On behalf of the Administrators, staff and students at Norwell Middle School, we would like to thank Assistant District Attorney, Amanda Fowle, for her presentation on Wednesday. The information was educational, informative, relevant, helpful and appropriate for Middle School students. Her expertise, along with her firsthand knowledge of the risks that students face online, captured students attention and provided them with specific ways that they can keep themselves safe as they navigate the digital world they live in. Thanks again, Amanda, and we look forward to staying in touch. Thank you for all you do to support students and residents of Plymouth County!

The students were the defending champions from last year, but were unable to keep the title. Until next year!

KINDNESS CORNER

"People grow through experience if they meet life **honestly and **courageously**. This is how character is built."** - E. Roosevelt

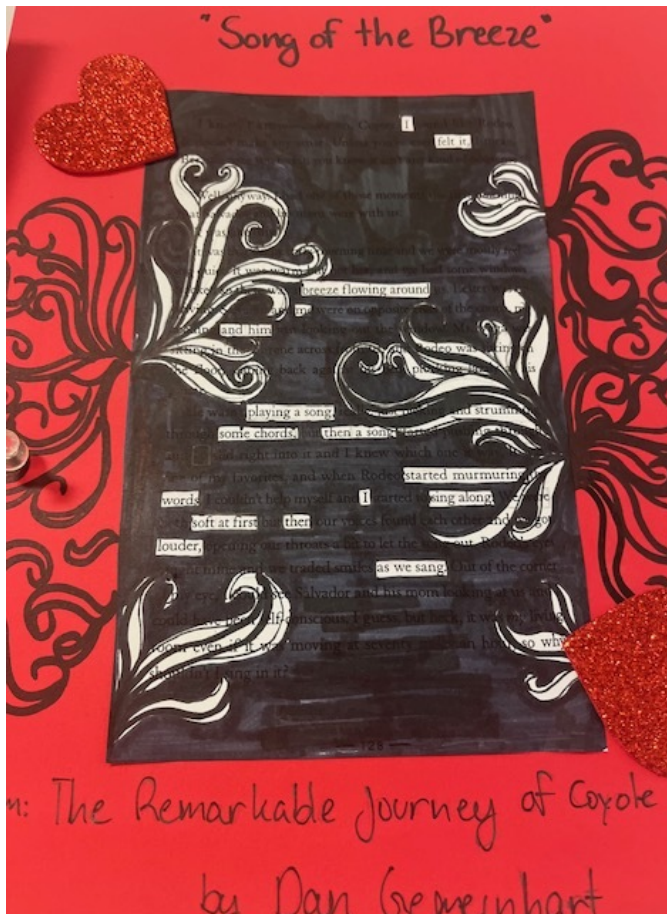

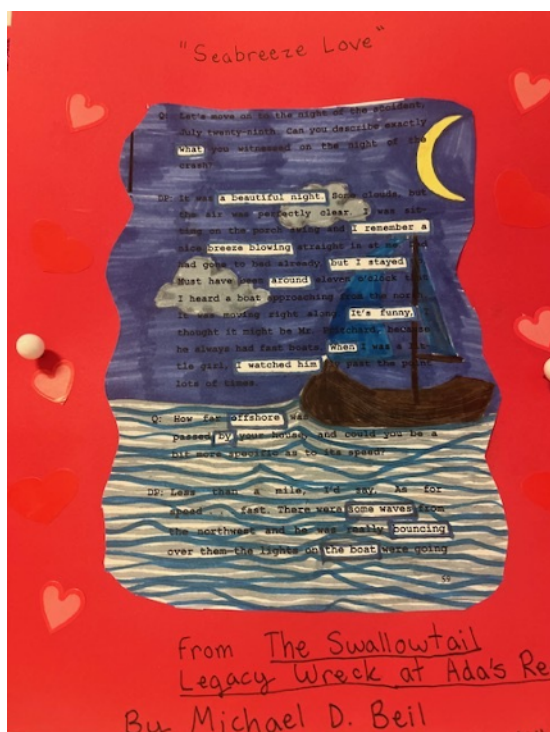

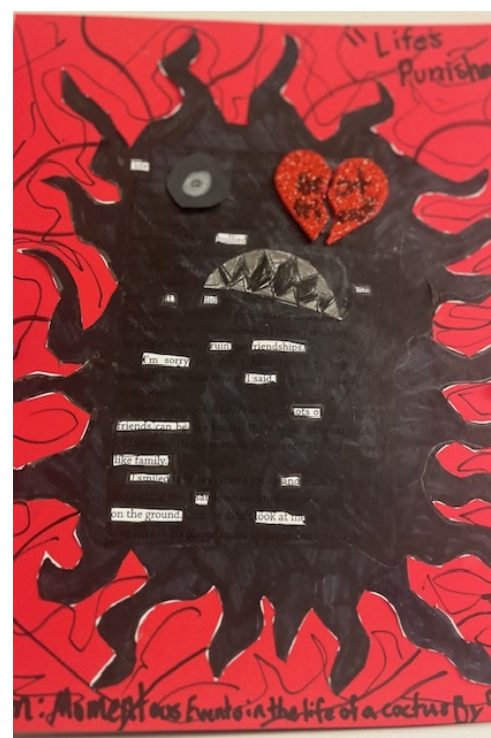

RANDOM ACTS OF KINDNESS

Thank you to the five sixth grade students that came with us to visit and speak with the 5th grade classes at both Cole and Vinal. Nate Conley, Shelby Maguire, Sam Mousseau, Annabel Lee Burns and Nate Bateman all did a wonderful job representing Norwell Middle School. The fifth grade teachers were excited to see them again and said that they were very well spoken and thoughtful with their responses. Well done! Also, shout out to John Dunn who picked up paper trash in the hall that every other student walked right past. Thank you!

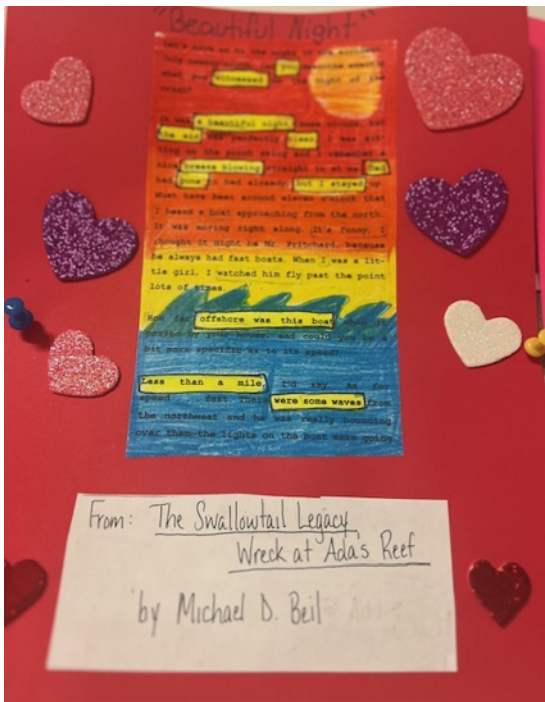

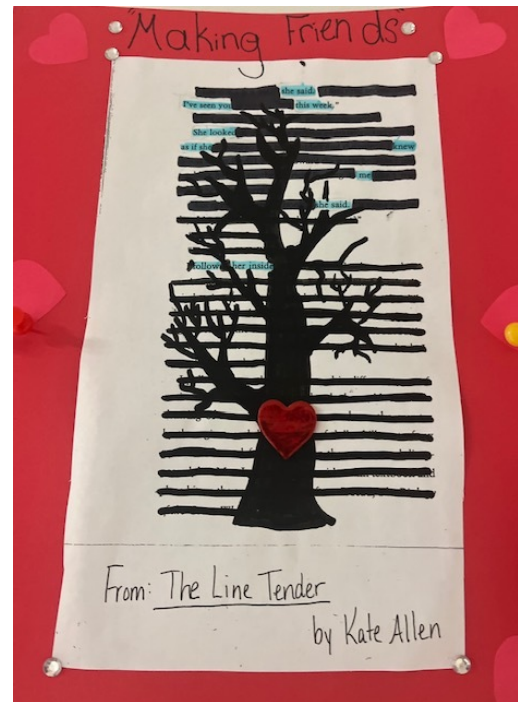

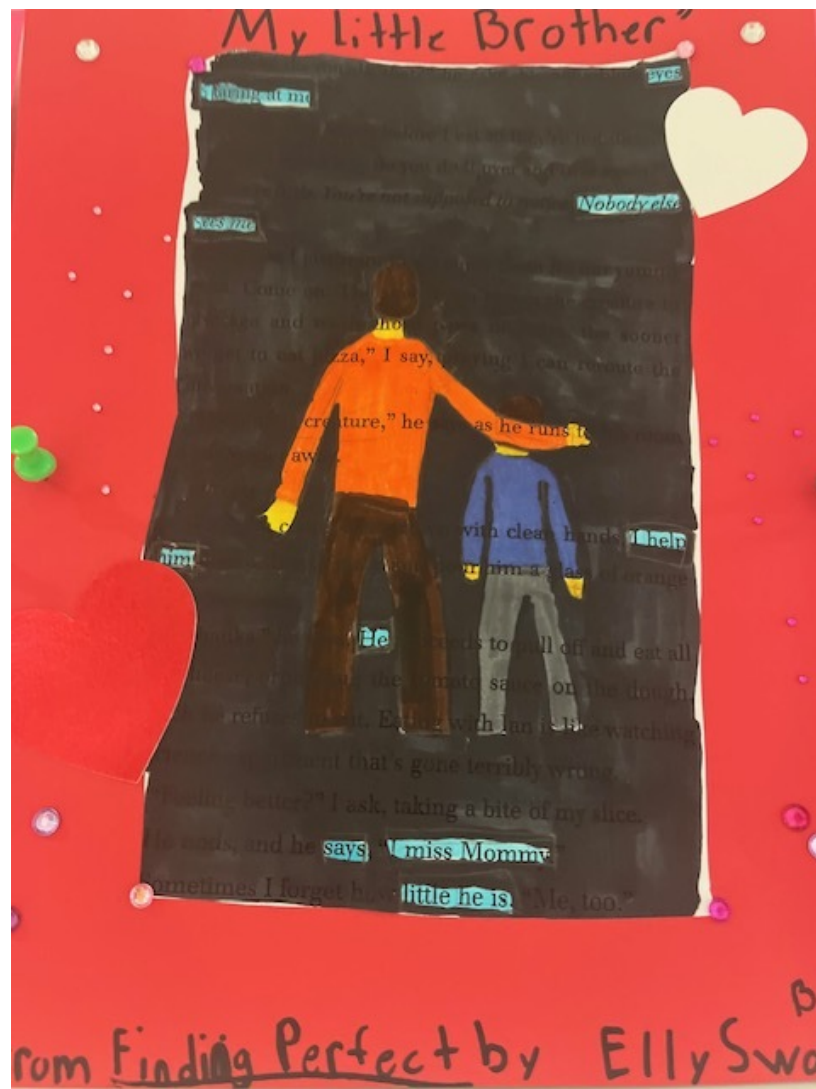

Every day there are small acts like these that add up to make a big difference. THANK YOU!

Poetry

Students on the Trailblazer team took pages from well known middle school independent reading novels and using the words on the page created original poems. This "Poetry By Subtraction" Project was inspired by such great artists as Caleb Whitford, Tristan Tzara, Bryon Gysin, Tom Phillips and Austin Leon. Students had a great time being creative in ELA!

We are excited to tell you about a school-wide Reading Challenge starting Term 3. For terms 3 and 4, we are encouraging your students to read **more!**

To help them on their way, we are devoting Friday Flextime to independent reading. **They** choose the books or magazines that they want to read.

And we could use your help!

According to [research](#), “effective programs include active parent involvement, partnerships among community institutions, and collaboration among significant adults in students’ lives.” Your help and support at home is a crucial factor in supporting reading development. So how can you help?

1. PUT BOOKS IN THEIR HANDS

Get books, magazines, and graphic novels that match your student’s interests. Head to the library. Hit a bookstore. Buy Lacrosse or Fortnite magazines—*whatever they’ll read!*

2. ENCOURAGE READING IN FLEX TIME

According to the research, reading is positively correlated with [a strong vocabulary](#), [higher math scores](#), [higher science and history scores](#), [strong writing skills](#), [higher scores on standardized tests](#), [reduced levels of stress](#), [increased empathy](#), [more brain connectivity](#), and [even a longer life!](#) Please encourage your student to read during Flex Friday.

3. KEEP IT GOING AT HOME

We know life is busy! We get it! But where could you encourage more reading? Before bed? Before screen time? On a long car ride? Read the same book as your child and watch the movie after finishing the book? Gift a grandparent the same book and do a child-grandparent book-club date? Think creatively to get students engaged with reading more at home!

4. DONATE BOOKS

If you have upper elementary school and/or middle school books and magazines that you are no longer using, we’ll take them! Drop donations in the READING PROGRAM BOX at drop off; we will shelf them around the school for students to use during Flex Friday!
