Celtics Playbook Initiative

On Wednesday, February 28th, NMS hosted its second Playbook Initiative workshop of the year. Fifty 6th, 7th and 8th grade students participated in the workshop. The Playbook Initiative is a program run through the Boston Celtics and Project 351 that aims to open up conversations about social injustice. Playbook is special because it uses real-life examples to teach its curriculum. By using this approach, students will be more likely to stand up to social injustice as they have discussed and prepared for social injustice situations. We want to give a huge congratulations to all those who participated. The Playbook Initiative is a positive step towards making Norwell a more inclusive community. Learn more about the Playbook Initiative at com/celtics/community/playbook.

KINDNESS CORNER

"The longer I live, the more deeply I learn that **love - whether we call it friendship or family or romance - is the work of mirroring and magnifying each other's light."** - J. Baldwin

RANDOM ACTS OF KINDNESS

Rumor has it that Dean Godin is an all around kind person who is always willing to lend a hand to classmates and his friends and teachers are grateful. John Fitzimmons was spotted holding the door for a student on crutches and Anthony Danaïs found \$20 in the hallway and returned it to the main office. The owner of the money was extremely grateful. Lucy Barrett did a wonderful job providing a "On This Day" fact for February and she also read hers and others facts over the morning announcements.

Every day there are small acts like these that add up to make a big difference. THANK YOU!

We are excited to tell you about a school-wide Reading Challenge starting Term 3. For terms 3 and 4, we are encouraging your students to read **more**!

To help them on their way, we are devoting Friday Flextime to independent reading. **They** choose the books or magazines that they want to read.

And we could use your help!

According to [research](#), “effective programs include active parent involvement, partnerships among community institutions, and collaboration among significant adults in students’ lives.” Your help and support at home is a crucial factor in supporting reading development. So how can you help?

1. PUT BOOKS IN THEIR HANDS

Get books, magazines, and graphic novels that match your student’s interests. Head to the library. Hit a bookstore. Buy Lacrosse or Fortnite magazines—*whatever they’ll read!*

2. ENCOURAGE READING IN FLEX TIME

According to the research, reading is positively correlated with [a strong vocabulary](#), [higher math scores](#), [higher science and history scores](#), [strong writing skills](#), [higher scores on standardized tests](#), [reduced levels of stress](#), [increased empathy](#), [more brain connectivity](#), and [even a longer life!](#) Please encourage your student to read during Flex Friday.

3. KEEP IT GOING AT HOME

We know life is busy! We get it! But where could you encourage more reading? Before bed? Before screen time? On a long car ride? Read the same book as your child and watch the movie after finishing the book? Gift a grandparent the same book and do a child-grandparent book-club date? Think creatively to get students engaged with reading more at home!

4. DONATE BOOKS

If you have upper elementary school and/or middle school books and magazines that you are no longer using, we’ll take them! Drop donations in the READING PROGRAM BOX at drop off; we will shelf them around the school for students to use during Flex Friday!

Are you looking for a place where you will be **accepted no matter what...**
a place where you can safely **express your individuality**?

SAGA is a **welcoming** group, **run by students** and overseen by teacher mentors, creating a **safe space** for discussing similarities, differences, and personal **well being**. **SAGA** is a place that creates a **peaceful** environment **for everybody** no matter their identity. **SAGA** is open to all middle school students who are on a journey of **self discovery** and **acceptance**.
