Dear Parent/Guardian of 4th Grade Student,

I hope you and your family are well.

Accordance to Massachusetts law, M.G.L. c. 71, s. 57 and related amendments and regulations we are required to collect physical exams in specific increments and 4th grade is required to send in a current/updated physical to the school.

This updated health examination aims to understand and follow up on health conditions that may affect the student's well-being and ability to learn.

I ask that you please forward a copy of your child's most recent physical examination and immunization record to me once they have a physical this school year. The physical examination form your child's healthcare provider completes is acceptable for our records. If you have already sent in a physical this year for your child, please disregard this letter as it is a general request to all 4th grade students, not just your child.

Please feel free to reach out to me with any questions or concerns.

I am available via email @: [Kristen.isola@norwellschools.org](mailto:Kristen.isola@norwellschools.org) or 781-659-8820, option # 3.

Sincerely,

Kristen Isola MEd, BSN, RN, CPN, NCSN

School Nurse Educator

W.G. Vinal Elementary School
