DALLAS SCHOOL DISTRICT NO. 2 BEHAVIOR EXPECTATIONS

PBIS

Dallas School District is a Positive Behavioral Interventions and Supports (PBIS) district. The main focus of PBIS is to provide a clear system for all expected behaviors within the district. While many faculty and students may have assumptions of what is expected behavior, we cannot assume that everyone's beliefs are similar. Through PBIS, we will work to create and maintain a productive, safe environment in which ALL school community members have clear expectations and understandings of their role in the educational process.

Behavior Philosophy

Students are expected to demonstrate appropriate behavior in the classroom, on school property, and off campus during District sponsored events. Students are expected to contribute to a safe, caring, learning environment by cooperating in work and play; doing their best to achieve academic excellence; respecting themselves, others, and the environment; and conducting themselves in a safe manner at all times.

Behavioral Expectations are Taught

The behavioral expectations are taught to all students in the building in real contexts. Teaching appropriate behavior involves much more than simply telling students what behaviors they should avoid.

Behavioral expectations are taught using the same teaching formats applied to other curricula. The general rule is presented, the rationale for the rule is discussed, positive examples ("right way") are described and rehearsed, and negative examples ("wrong way") are described and examples given. Students are given an opportunity to practice the "right way" until they demonstrate fluent performance.

Appropriate Behaviors are Acknowledged

Once appropriate behaviors have been defined and taught, they need to be acknowledged on a regular basis. Each school may design a formal system that rewards positive behaviors. "I Noticed" are immediate verbal acknowledgements used by individual teachers, at their discretion, as a tool of encouragement and student motivator.

Behavioral Errors are Corrected Proactively

When students violate behavioral expectations, clear procedures are needed for providing information to them that their behavior was unacceptable, and preventing that unacceptable behavior from resulting in inadvertent rewards. Students, teachers, and administrators all should be able to predict what will occur when behavioral errors are identified.

Student Classroom Behavior

- Follow all of the classroom rules in each classroom.
- Accept responsibility for your own behavior and learning.
- Act in a manner permitting teachers to teach and students to learn.
- Come to class prepared with all materials required by the teacher.
- Fulfill all assignments given by the teachers and ask clarifying questions if assignments are not understood.

I. EXPECTATIONS FOR STUDENT BEHAVIOR

Students are expected to demonstrate appropriate behavior in the classroom, on school property, and off campus during District sponsored events. Students are expected to contribute to a safe, caring, learning environment by cooperating in work and play; doing their best to achieve academic excellence; respecting themselves, others and the environment; and, conducting themselves in a safe manner at all times.

II. CLASSROOM RULES

- Dress code
- Harassment
- Music device
- Phone use

Consequences for noncompliant students are: parent/guardian contact by teacher, assigned detention by teacher and/or referral to school administration for appropriate discipline.

III. WHEN and WHERE RULES APPLY

- On school District property at all times
- At school District sponsored events regardless of location
- Traveling to and from school or school District sponsored events
- Off campus if the behavior violates the District's Code of Conduct.
