*~Maximize potential, embrace change, create the future~*

August, 2024

Dear Parent/Guardian and Student,

Welcome to Kutztown Area High School's 2024-2025 school year! The first day of school is scheduled for Tuesday, August 27, 2024.

We welcome the class of 2028 to the high school and encourage you to participate in as many activities as possible. Incoming Freshmen and students new to KAHS, mark your calendars for "Camp Cougar" our new student orientation held on August 22nd from 9:00am to 11:00am in the John Silan Gym at KHS.

Open House this year will be held on September 4th at 6:00 pm. For more information regarding school news and upcoming events, please go to [www.kasd.org](http://www.kasd.org), click on the high school page, and refer to the "Building Calendar for High School."

The first day of school for BCTC is Monday, August 26th. Buses depart KAHS at 7:35 am. Transportation is only provided to and from KHS to BCTC on August 26th. You would be responsible for transportation to KHS and home during that time.

We are excited to welcome our newest staff members. Please join me in welcoming Ms. Hannah Phillips as a Math Teacher and Mrs. Amanda Maurer as our school nurse.

**Just a reminder, as per the letter that was mailed home previously, both contact and medical information must be updated in order for your child to receive their KASD-issued device.**

Once again, thank you for your involvement and support of the Kutztown Area School District. We wish everyone an outstanding 2024-2025 school year!

Sincerely,

Dr. Barry P. Flicker  
High School Principal
