Situated on a hillside overlooking the beautiful Santa Barbara Channel, Cleveland Elementary School has provided quality educational services to its diverse student population since 1959. Cleveland is an educational program geared to meet the learning needs of each student. Teachers and parents engage in a process of evaluation, planning and implementation to ensure that students realize their full potential as thoughtful, informed and creative members of society.

We believe children learn best when they engage in a variety of meaningful activities in a challenging, structured and positive environment. All members of the Cleveland School community collaborate to offer learning programs that enable all children to maximize their academic, social and emotional growth and promote their development into thoughtful, productive and responsible citizens.

Cleveland is a Character Counts school and focuses on Restorative Approaches. ATTENDANCE

By state law the only excused absences are illness, medical and dental appointments, and bereavement. Parents must call the **school at (805)963-8873** to report an absence. If the parent has called each day, it is not necessary to write a note. If no call has been made, the student must bring a note when returning to school. The note should include: **student's name, date of absence(s), reason for absence(s), and parent signature.**

At Cleveland we recognize that daily attendance and punctuality are critical to student success; PLEASE adhere to this policy. We are committed to ensuring that all students arrive at school on time and strictly enforce punctuality and attendance.

Students with chronic tardiness, truancies and absences (10% is defined as chronic) will be subject to District and State regulations pertaining to the Student Attendance Review Board (SARB). Referral to SARB may constitute grounds for revoking a student's privilege of attending Cleveland. In addition to excessive tardies and absences, a student may also be subject to having their transfer revoked due to inappropriate behavior or repeated suspensions.

Your child is encouraged to participate with you. Specific conference periods have been set-aside during the Fall and Spring. Please make every effort to keep your conference appointment. Members of the faculty are available to discuss any concerns you may have. By leaving a message with the office, or a simple email, your child’s teacher will contact you within 48 hours.

Teachers often do not have the time to check their messages during the school day. If you have an urgent need to contact the teacher during the day, please call the office and your message will be relayed. Please DO NOT call the front office to make a change in your child’s transportation to and from school for a non-emergency reason. It is the parent’s responsibility to inform the classroom teacher at least one day in advance for any transportation changes.

- If another person comes to you to complain about a problem they are having with another person in the Cleveland community, PLEASE help guide them back to the person they are having the problem with rather than engaging in intrigue and gossip. Possibly offer to facilitate the conversation, or role-play with them to practice solving the problem.

(EC Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4])

This policy is distributed to parents of participating children and to the extent practicable, provided in a language the parents can understand. This policy shall be made available to the local community by posting it on the school's website and through messages in the Parent Square messaging system. This parent involvement plan is updated annually to meet the changing needs of parents and the school.

2.1 Involvement of Parents in the Title I Program

The policy describes the means for carrying out Title I parent and family engagement requirements. (20 U.S.C. § 6318[b][1])

To involve parents and family members in the Title I program at Cleveland, the following practices have been established:

- a) Cleveland convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1])
 - Each year at Cleveland, an annual Title I meeting occurs in October to inform parents of their rights and responsibilities as parents attending a Title I School.

- b) The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement. (20 U.S.C. § 6318[c][2])
 - Cleveland involves parents through a variety of meetings, including the School Site Council, English Learner Advisory Council, Monthly Principal-Parent Forums, and workshops through the SBUSD Family Engagement Unit.

- c) The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 U.S.C. § 6318[c][3])

- The Cleveland Title I Parent and Family Engagement Policy and Home School Parent Compact are reviewed annually by the SSC and ELAC and presented to the entire school community in the Principal's Message and Student Handbook.

1. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])

- At Cleveland, we provide consistent school updates via Principal's Message, Parent Square, social media, and the school's website. The school provides information about the SPSA, Title I fund allocations and student progress through SSC, ELAC and other stakeholder meetings. Fall and Spring Back to School and Open House nights are held in addition to PTA meetings.

2. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B])

- Updates on instructional curriculum and assessment are shared at our Back to School Night and in Parent Conferences, in written and verbal format in English and Spanish. These resources explain state academic standards, and the curriculum students have access to, in order to meet state academic standards by grade.

- Student progress and assessments are communicated with parents through Parent Square, SST meetings, teacher-parent meetings.

3. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])

- We provide a process for documenting concerns, and suggestions for school wide plans through our councils and committees. We also encourage parents to communicate via email or by calling the school office.

2.2 Building Capacity for Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted with Title I, Part A funds establishes the practices listed below. (20 U.S.C. § 6318[e])

(20 U.S.C. § 6318[e][1])

c) The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (20 U.S.C. § 6318[e][3])

- In supporting parent recommendations, Cleveland strives to provide training for teachers during professional development in cultural sensitivity and awareness to increase parent-school interactions. We encourage and support teachers toward establishing regular contact regarding student progress and supporting this contact with interpretation and translation support.

d) The school, to the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children. (20 U.S.C. § 6318[e][4])
