Vendor Questions

1. Is \$5,000,000/\$5,000,000 in umbrella insurance coverage acceptable?

A. As per the bid document pages 10-11, \$15,000,000 is required for umbrella insurance.

2. What are the current Contractor rates?

A. \$2.72 per mile.

3. Customer Service Sticker:

Are all drivers required to post a customer service phone number in the back of their vehicles?
We work with Subcontracted companies and each company has their own vehicles, we cannot provide sticker on the vehicles that would provide us numbers.

A. No, but if the vehicle doesn't have a customer service phone number, D15 would need a contractor contact number on file so we can contact in emergency. For subcontractors, refer to page 6, subsection g.

4. Equipment:

All vehicles shall be radio Equipped: Our subcontractors use an app on their cellphone which provides the student data, GPS Tracking, and GPS navigation. Would this be acceptable?

A. No, use of cell phones while the vehicle is in motion and carrying students is prohibited. All drivers must have a permit to carry school-aged children in the State of Illinois, which does not allow cell phone usage.
