Senior Project – Gage Maher

Mr. Maher presented his senior project to the board, since he transferred back during the second semester and did not have it completed from the other school. He decided for his project to build a bucking arena. He was able to get wood from an old feedlot for free. Mr. Maher discussed who helped with the project, struggles during the project, successes, and learning items. He also stated the he was able to improve his welding skills, time management skills, and problem solving skills.

Employees of the Month

Lindy Ross Elementary – Judith Martinez, Secretary
Clark County Jr. /Sr. High – Kirk Summers, Shop Teacher

Curriculum – Lorri Clark

Ms. Clark teaches Junior High Science. She had 4 of her students come to the board meeting and discuss some of the things they have learned in science this year. The curriculum is an online program that is free to users and has the standards of learning included in the program. The students like the more hands on learning.

Curriculum – Lauri Sperl

Ms. Sperl was unable to attend.

Maintenance Report

No maintenance report.

Principal Report

Ms. Winters presented a handout with some of the happenings at the Lindy Ross. She stated that she has been finishing teacher evaluations. She also presented in her handout the preliminary scores of the IRI and is hoping to see an increase.

Superintendent Report

Ms. Holden stated that the board will need to participate in some training that will be presented by Ms. Winters in August. She stated that the district received discretionary money from the state in April. The grant that was received for a school nurse will be a .5 FTE, which will be split between our district and West Jefferson School District. There will be a career day at the school on May 22nd, Graduation will be May 28th at 7 p.m. with the last day of school May 30th. Ms. Crandall will be going to State Track in high jump. The school bus will be used for swimming lessons this summer. They are working on finalizing negotiations, working on the budget, and finding a new emergency alert system.
