CELEBRATING SENIORS!

LONGVIEW PUBLIC SCHOOLS

CLASS OF 2020 A MESSAGE FROM OUR SUPERINTENDENT

Dear Parents, Families and Graduating Seniors,

The last few months have been unlike any in recent history. The way we work, go to school, and even the way we live has changed in previously unimaginable ways. The combination of the school closure, stay at home orders, and social distancing have forced us to find new ways to celebrate our students.

For some of us, these opportunities will come around again. But for our seniors, some celebrations—like high school graduation—come just once in a lifetime. Which is why we put every effort into making the celebration of the Class of 2020 as special and memorable as possible and dedicated our year-end publication to our graduates.

To the Class of 2020, you have the care and support of all of us at Longview Public Schools and from the community. We are so proud of your accomplishments. It's because of you that our schools are a great place to learn and grow. As you go out into the world, we look forward to seeing the many contributions we know you will make to our community.

Congratulations!

Dan Zorn, Superintendent

We asked parents to send in a photo and information about their graduate. What you see on these pages is the result.

Thank you to all who participated.

CELEBRATING OUR SENIORS

School closures due to the COVID-19 pandemic made the last few months of high school unusual, to say the least, for our seniors. So we took a few notes from the Marine Corps slogan, "Improvise, Adapt, and Overcome" and came up with a variety of ways to celebrate the great Class of 2020. Here are a few.

Be the Light Washington: Every Friday night since April 17th, the stadium lights were turned on at 20:20 military time (8:20 pm) for 20 minutes.

Senior Spotlights on Social: Seniors are featured in Longview Schools social media posts with a photo, information about their plans for the future, and high school accomplishments they're most proud of.

Spotlight Videos: We asked several seniors to share experiences, memories, and points of pride from their high school years. These interviews can be found on the district Facebook and YouTube pages.

Tribute Videos: Congratulations and well-wishes for the Class of 2020 are shared via video from community leaders like Mayor Wallis (a Mark Morris alum), School Board President Jurmu and Kelso-Longview Chamber of Commerce CEO Brill Mavcum.

Yard Signs, T-Shirts and Window Clings: Celebrating seniors were given out.

June Publication: This June newsletter was increased in size and focused solely on celebrating the Class of 2020.
