STUDENT SCHEDULES

Each schedule is developed after receiving input from teachers, parents and students. A great deal of time and energy has been spent developing a program that will best meet the needs of each student.

No schedule changes will be made at Meet The Teacher Night. Schedule Corrections are made for only three reasons:

An error in the students schedule, something's missing.

A needed change in the level of instruction.

A doctor's excuse from physical education classes for health reasons.

If you feel a mistake has been made in your child's schedule, email censcheduling@kyrene.org. Schedule changes will be reviewed and you will be contacted by an administrator if a change will be made.

Sincerely,

Josh Jolin, 6th Grade Administrator

Lilani Figueroa, 7th Grade Administrator

Jesse Gutierrez, 8th Grade Assistant Principal
