Reengagement Center (774) 422-0805

Dear BPS Families,

Welcome back to school! The new school year is a time of hope and excitement for all of us. I'm especially excited about the promise and potential that this new school year holds. Thank you for welcoming me into your community and for entrusting me with the education of Brockton's most valuable resource—our children. I look forward to meeting and engaging with many of you this year.

There is much to be proud of in the Brockton Public Schools! From our renowned drama and arts programs to our extraordinary opportunities in science, technology, engineering and mathematics, and our great bilingual program (just to name a few) – there's a chance for everyone to find success in Brockton's schools.

Educators and families choose Brockton as their workplace and home because of its amazing school system. Even when challenges present themselves, the school community persists with an incredible amount of resilience and determination. And whether you are returning to familiar hallways or stepping into our schools for the first time, you will find that you are joining a supportive and inclusive family. That has certainly been my experience as I have entered BPS. Together, I am confident that we will create a school year filled with growth, achievement, and memorable experiences.

Here's to a successful and rewarding school year!

Dr. Priya Tahiliani

Interim School Superintendent
