

Memorandum of Understanding Employment of Family Members

It is hereby agreed between the South Washington County Schools, District 833 (hereafter "District") and the Association of Nutrition Services of ISD 833 (hereafter "Association") as follows:

Employees may not bid into a position in which a family member, who is also a member of the Association, works in that building. Newly hired employees to the department may also not be placed/work in a building in which a family member works in that building.

This memorandum of understanding shall remain in full force and effect through June 30, 2026.
