

Social Media Terms of Use

Greenville ISD's social media pages are moderated by the Communications Department and are intended to serve as a resource containing district information for our parents, students, teachers and staff and our local community. We value feedback from our community and patrons and encourage healthy, productive conversations on our social media pages. With that in mind, we ask that you show respect for your fellow users if you comment by promoting good examples in kindness and digital citizenship.

We ask that you adhere to the following terms of use:

- Site administrators are actively monitoring our platforms Monday through Friday from 8 a.m. to 5 p.m. Comments and messages sent outside of normal Greenville ISD business hours or during holidays may receive a response the next business day.
- Reporters and other persons seeking responses to questions or requests are asked to refrain from submitting questions as comments and instead send questions to the GISD Communications Department at communications@greenvilleisd.com.
- Photographs may only be posted when appropriately prompted by a Greenville ISD post.
- The following types of comments or posts are not allowed:
 - profanity, threatening words, vulgar or inappropriate language or content;
 - offensive language that targets ethnic, religious, or racial groups;
 - bullying or sexually harassing language;
 - slanderous or disparaging language;
 - hate speech;
 - any political statements or campaign for any local, state, or national government positions;
 - spam, advertisements, or links to other sites. This includes advertisements for special offers or discounts for teachers, students, or administrators;
 - private information about a student, parent, employee, or community member. These comments will be removed by a site administrator.

Greenville ISD reserves the right to change the Terms of Use policy at any time by posting revised Terms of Use on this site. Continued use of this site after such revised Terms of Use have been posted constitutes your acceptance of the revised Terms of Use and agreement to the revised Terms as a condition to your continued use of the site.

Please be aware that all content and posts are bound by the host site's Terms of Use. Social media sites are third party sites and the host sites have Terms of Service and policies that are not governed by the district. We encourage you to share your support for our students and connect with other supporters here on our page, and to visit frequently for news and updates.
