***Bethany Orange Woodbridge  
25 Newton Road, Woodbridge Connecticut 06525***

## **GREEN CLEANING PROGRAM IN SCHOOLS (CT PUBLIC ACT 09-81, attachment "B")**

The State of Connecticut is requiring that each local and regional board of education implement a green cleaning program for all school buildings and facilities in its district.

**Amity Regional School District No. 5** is committed to the implementation of this law by providing the staff and, upon request, the parents and guardians of each child enrolled in each school with a written statement of the school district's green cleaning program as well as making it available on its web site annually. The policy will also be distributed to new staff hired during the school year and to parents or guardians of students transferring in during the school year.

1. Green cleaning program means the procurement and proper use of environmentally preferable cleaning products as defined by the Department of Administrative Services (DAS) for all state owned buildings, schools and facilities. DAS currently requires that environmentally preferable cleaning products be independently certified by one of two third party certified organizations: ***Green Seal or Eco Logo***
2. By July 1, 2011 and thereafter no person shall use a cleaning product in a public school unless it meets the DAS standard.
3. The types of cleaning products covered in this legislation include: general purpose, bathroom, and glass cleaners, floor strippers and finishes, hand cleaners and soaps. The preferred green cleaning products used by this school district are listed on attachment "A"
4. Disinfectants, disinfectant cleaners, sanitizers or antimicrobial products regulated by the federal insecticide, fungicide and rodenticide act are not covered by this law.

The following statement will be part of this school district's program as stated in the new law:

**"NO PARENT, GUARDIAN, TEACHER OR STAFF MEMBER MAY BRING INTO THE SCHOOL FACILITY ANY CONSUMER PRODUCT WHICH IS INTENDED TO CLEAN, DEODORIZE, SANITIZE OR DISINFECT."**

**The implementation of this program requires the support and cooperation of everyone including administrators, faculty, staff, parents, guardians and facilities staff.**

**Any questions concerning the program can be directed to:**

**Steve Martoni, Director of Facilities 203-397-4818  
Tracy Daigle, Facilities Assistant 203-397-4817**

**Public Act No. 09-81**

**AN ACT CONCERNING GREEN CLEANING PRODUCTS IN SCHOOLS.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (*Effective October 1, 2009*) (a) As used in this section, (1) "green cleaning program" means the procurement and proper use of environmentally preferable cleaning products in school buildings and facilities, and (2) "environmentally preferable cleaning product" includes, but is not limited to, general purpose cleaners, bathroom cleaners, carpet cleaners, glass cleaners, floor finishes, floor strippers, hand cleaners and soaps, but does not include (A) any disinfectant, disinfecting cleaner, sanitizer or any other antimicrobial product regulated by the federal Insecticide, Fungicide and Rodenticide Act, 7 USC 136 et seq., or (B) any product for which no guideline or environmental standard has been established by any national or international certification program approved by the Department of Administrative Services, or which is outside the scope of or is otherwise excluded under guidelines or environmental standards established by such a national or international certification program.

(b) On or before July 1, 2011, each local and regional board of education shall implement a green cleaning program for the cleaning

and maintenance of school buildings and facilities in its district. No person shall use a cleaning product inside a school unless such cleaning product meets guidelines or environmental standards set by a national or international environmental certification program approved by the Department of Administrative Services, in consultation with the Commissioner of Environmental Protection. Such cleaning product shall, to the maximum extent possible, minimize the potential harmful impact on human health and the environment.

(c) On or before April 1, 2010, the Department of Education, in consultation with the Department of Public Health, shall amend the school facility survey form to include questions regarding the phase-in of green cleaning programs at schools.

(d) On or before October 1, 2010, and annually thereafter, each local and regional board of education shall provide the staff of each school and, upon request, the parents and guardians of each child enrolled in each school with a written statement of the school district's green cleaning program. Such notice shall include (1) the types and names of environmentally preferable cleaning products being applied in schools, (2) the location of the application of such cleaning products in the school buildings and facilities, (3) the schedule of when such cleaning products are applied in the school buildings and facilities, (4) the statement, "No parent, guardian, teacher or staff member may bring into the school facility any consumer product which is intended to clean, deodorize, sanitize or disinfect.", and (5) the name of the school administrator, or a designee, who may be contacted for further information. Such notice shall be provided to the parents or guardians of any child who transfers to a school during the school year and to staff hired during the school year. Each local or regional board of education shall make such notice, as well as the report submitted to the Department of Education pursuant to subsection (a) of section 10-220

effect the powers and duties imposed by law.

(b) The board of education of each local or regional school district shall, with the participation of parents, students, school administrators, teachers, citizens, local elected officials and any other individuals or groups such board shall deem appropriate, prepare a statement of educational goals for such local or regional school district. The statement of goals shall be consistent with state-wide goals pursuant to subsection (c) of section 10-4. Each local or regional board of education shall develop student objectives which relate directly to the statement of educational goals prepared pursuant to this subsection and which identify specific expectations for students in terms of skills, knowledge and competence.

(c) Annually, each local and regional board of education shall submit to the Commissioner of Education a strategic school profile report for each school under its jurisdiction and for the school district as a whole. The superintendent of each local and regional school district shall present the profile report at the next regularly scheduled public meeting of the board of education after each November first. The profile report shall provide information on measures of (1) student needs, (2) school resources, including technological resources and utilization of such resources and infrastructure, (3) student and school performance, (4) equitable allocation of resources among its schools, (5) reduction of racial, ethnic and economic isolation, and (6) special education. For purposes of this subsection, measures of special education include (A) special education identification rates by disability, (B) rates at which special education students are exempted from mastery testing pursuant to section 10-14q, (C) expenditures for special education, including such expenditures as a percentage of total expenditures, (D) achievement data for special education students, (E) rates at which students identified as requiring special education are no longer identified as requiring special education, (F) the availability of

supplemental educational services for students lacking basic educational skills, (G) the amount of special education student instructional time with nondisabled peers, (H) the number of students placed out-of-district, and (I) the actions taken by the school district to improve special education programs, as indicated by analyses of the local data provided in subparagraphs (A) to (H), inclusive, of this subdivision. The superintendent shall include in the narrative portion of the report information about parental involvement and if the district has taken measures to improve parental involvement, including, but not limited to, employment of methods to engage parents in the planning and improvement of school programs and methods to increase support to parents working at home with their children on learning activities.

(d) Prior to January 1, 2008, and every five years thereafter, for every school building that is or has been constructed, extended, renovated or replaced on or after January 1, 2003, a local or regional board of education shall provide for a uniform inspection and evaluation program of the indoor air quality within such buildings, such as the Environmental Protection Agency's Indoor Air Quality Tools for Schools Program. The inspection and evaluation program shall include, but not be limited to, a review, inspection or evaluation of the following: (1) The heating, ventilation and air conditioning systems; (2) radon levels in the water and the air; (3) potential for exposure to microbiological airborne particles, including, but not limited to, fungi, mold and bacteria; (4) chemical compounds of concern to indoor air quality including, but not limited to, volatile organic compounds; (5) the degree of pest infestation, including, but not limited to, insects and rodents; (6) the degree of pesticide usage; (7) the presence of and the plans for removal of any hazardous substances that are contained on the list prepared pursuant to Section 302 of the federal Emergency Planning and Community Right-to-Know Act, 42 USC 9601 et seq.; (8) ventilation systems; (9) plumbing, including
