RE: Free and Reduced-Price Meal Applications for School Year 2024-2025

DATE: July 30, 2024

Please find the enclosed information packet to assist you in filling out the Free/Reduced Meal Application for Free or Reduced Meals. For the 2024-2025 School Year we will be continuing the three-tiered eligibility schedule. You will need to have the new application complete with the needed information to the Food Service Office at Mill Road Elementary **no later than FRIDAY, OCTOBER 18, 2024, to continue that eligibility for the 2024-2025 school year.** The form will be reviewed for completion and will be evaluated for eligibility. If you receive food stamps or Aid to Dependent Children/Temporary Assistance to Needy Families ADC/TANF, please see the enclosed parent letter with instructions. **Please remember, if you qualify for free or reduced lunch you are also eligible for free or reduced breakfast at each school within the district.**

You will be notified of your eligibility standing for each child/children listed on the application. If you qualify, a percentage of people will be asked to provide income documentation. This action will take place during the month of September and the first part of October.

I believe you will find the enclosed fact sheet to be quite informative. Thank you for your assistance in this worthwhile endeavor.

Sincerely,

Lawrence A. Anthony
Director of Child Nutrition
