Elmore Park Middle School
Playaway Audio Book
Permission Form

Dear Parent/Guardian:

Elmore Park Middle School Library has a small collection of audio and video books. The audio/video collection has been developed to benefit those students who are auditory and visual learners and those who just enjoy listening to a book. The Playaway audio and video books are small, handheld devices that require earbuds or headphones to listen to the book format.

Playaway audio and video books are more expensive than print versions. The replacement price can vary from $39-$125 for audio books. **Students who lose or damage these books will be responsible for the replacement cost.**

Because of this cost, students must have this permission slip signed by a parent before they can check out a Playaway audio or video book.

If you give permission for your child to check out Playaway audio and/or video books from our library, please sign and return the bottom portion of this letter. Your student should return it to me in the library. This permission will be in effect the entire time your student it at EPMS unless you revoke it.
