

## **How To Choose A College**

***Since this is one of the most important decisions you have had to make in your life this far, here are a few helpful tips to get you on the right track to picking the college that is right for you!***

***\*Decide whether you want to attend a 2-year or 4-year school.***

***\*Decide whether you want to go away to school or stay close to home.***

***\*Calculate (as accurately as possible) how much the college you want will cost.***

***\*Find out about scholarships, financial aid, and work study opportunities.***

***\*Do your own RESEARCH...visit websites, visit the campus, talk to students & faculty at each school.***

***\*Throughout your high school career, get involved! Colleges look at more than just grades!***

***\*Most importantly remember that this is the school you will be attending so make sure it is what you want & how you want to spend the next few years of your life\****
