A. A signed physician's note must be supplied by the employee to the Personnel Office attesting to the fact that the employee is under a doctor's care and will be unable to report to work because of health reasons for a minimum of twenty-five (25) calendar days.

B. Only employee illness which confines the employee to a hospital or his/her home will qualify (aside from office calls to his/her physician).

C. The District's doctor must agree that the illness referred to in "B" requires confinement to home or hospital and that the employee will be unable to report to work because of health reasons for a minimum of twenty-five (25) calendar days.

D. In the event of a dispute between the District's doctor and the employee's doctor, they shall agree on a third doctor whose opinion shall be binding. In the event the parties are unable to agree, the fifth party shall be selected from a list submitted by the American Arbitration Association.

H. Employees shall use their accrued sick leave prior to becoming eligible for Extended Sick Leave.

I. Upon return from such leave, the employees shall have their accumulated sick leave credited with one-third (1/3) of the number of accumulated days at the time of the commencement of the extended illness.

J. In the event an employee has exhausted his/her sick leave, and has an extended illness for more than ten (10) calendar days but less than twenty-five (25) calendar days, such employee may be placed on Extended Sick Leave provided he/she complies with all the other requirements listed above, and provided further:

1) That upon return from such leave, the employee shall have deducted from his/her "future" sick leave the days advanced by the District; and

2) The employee agrees that in the event he/she leaves the employ of the District prior to paying back the advanced days, he/she shall authorize the District to deduct from his/her final paychecks the amounts advanced by the District.

Health

51. The following health insurance plans are the "base plans":

NYSHIP and HIP Access #1/Prime Network

After prior consultation with the Association, the District may offer voluntary health insurance plans in addition to the "base plans."

The parties understand and agree that the following health plans are no longer applicable to unit members:

EMPIRE UNITED HEALTH CARE (Empire Core Plus Enhancements - formally Metrahealth, Empire Metropolitan, Statewide Plan);
EMPIRE CHOICE (formerly Empire Healthcare, Empire Healtnet, Empire C.H.P.S.); and
AETNA US HEALTHCARE (formerly US Healthcare).

Should the District wish to offer any of those plans, it may, after prior consultation with the Association, offer one or more of them as additional "base plans."

Effective July 1, 2019, Unit members who choose to enroll in a "base plan" will contribute 9.5% of the health insurance premiums of said "base plans."

The District shall pay one hundred (100%) percent of the cost of individual coverage upon retirement and fifty (50%) percent of the cost of dependent coverage upon retirement. To be eligible for health insurance into retirement, the unit member must have ten (to) years of full-time service within the District, and actually retire from the District, as accepted and approved by the New York State Employees' Retirement System.

Unit members currently enrolled in a "base plan" and Unit members who were formerly enrolled in a "base plan" but who currently are receiving payments for declining such coverage who opt to enroll in a voluntary plan whose premiums exceed those of their former "base plan," effective July 1, 2019, shall contribute 9.5% of said premiums. In addition, such Unit member shall pay 100% of the difference in premium between their former "base plan" and their voluntary plan.

Unit members currently enrolled in a "base plan" and unit members who were formerly enrolled in a "base plan" but who currently are receiving payments for declining coverage, who opt to enroll in a voluntary plan whose premiums are less than those of the former "base plan" will, effective July 1, 2019 contribute 9.5% of the premium of the voluntary plan.

Unit members who previously opted, upon commencement of employment for the declination outlined below and who later enroll in a voluntary plan whose premiums exceed those of the most expensive applicable "base plan," effective July 1, 2019 shall contribute 9.5% of the premiums of the voluntary plan. In addition, such Unit member shall 100% of the difference in premiums between the most expensive applicable "base plan" and their "voluntary plan." These rates and rules shall be applicable to new hires who chose the voluntary plan whose premiums exceed those of the most expensive applicable "base plan."

Unit members who previously opted, upon commencement of employment for the declination outlined below and who later enroll in a voluntary plan whose premiums are less than those of the most expensive applicable "base plan," effective July 1, 2019 shall contribute 9.5% of the premiums of the voluntary plan. These rates and rules shall also be applicable to new hires who choose a voluntary plan whose premiums are less than those of the most expensive applicable "base plan."

Unit employees shall advise the District of their desire not to be covered no later than December 1st and coverage shall cease as of January 1st. Payments shall be made during the first pay period of the following January provided the declination has been in effect from the preceding January.

The declination of Health Insurance shall remain in force annually thereafter unless the employee(s) who have declined such coverage for a given year wish to reenroll in the Health Insurance Program for the following year. Said employee(s) shall notify the District of such change no later than November 1st preceding the year in which they wish to reenter the plan. Such coverage shall take effect on January 1st.

Unit employees hired on or after January 1st may advise the District of their desire not to be covered by Health Insurance at any time in their first calendar year. Such employees shall receive a pro rata share of the \$1,500 provided the employee remains uncovered by the District through December of that same calendar year. Thereafter, they shall be treated the same as all other unit employees declining coverage.

Individuals making this election shall submit sworn statements to the District indicating they have health insurance coverage under another plan.

Nothing contained herein shall preclude a member of the unit from applying to reenter the District's plan at any time for reasons consistent with the rules of the District's flexible benefit plan and applicable law. In the event a unit employee reenters the plan within the first twelve (12) months, no payment shall be made. In the event a unit employee resumes health insurance coverage

after the first twelve (12) months of declined coverage, but prior to the due date for their annual payments, no payments shall be made for the year in which the unit employee's declination was for less than twelve (12) months.

Unit employees shall be entitled to reenter the District's Health Insurance Plan to ensure coverage upon retirement provided they pay the required contribution toward the cost of such insurance in retirement.

In the event a member seeks to reenter the District's Plan, the District shall request that the Plan waive any applicable waiting period.

In accordance with the rules and regulations of the Empire Plan, a unit employee who is employed by the District and whose spouse is employed by the District shall not be entitled to family coverage provided by the District, unless the maintenance of such plan is required to comply with a court order, judgment or legal separation.

With respect to those unit employees whose spouses are employed by the District, the employees will have the option of determining which spouse shall be covered by the District's Family Plan.

Nevertheless, a unit employee who thereafter becomes no longer covered by his/her spouse's said coverage (i.e. death, divorce, loss of job, loss of coverage, etc.) shall be entitled to immediate reinstatement without any restrictions, without any cost to the individual and pre-existing conditions shall not in any way preclude full coverage.

Unit employees who lose coverage shall notify the District as soon as reasonably possible of their intent to re-enroll in the District's health insurance plan. Such reinstatement shall be immediate upon notice to the District.

In any event the spouse who is no longer entitled to the family coverage has the option of individual coverage or a \$1500 payment. Such payment will be made during the first pay period of the following January.

The District has instituted a flexible benefits plan pursuant to Internal Revenue Code Section 125 in which unit employees are eligible to participate in accordance with the rules of the plan.

RETIREMENT PLAN

52. The Employer shall provide the 75-i retirement plan for all qualified unit members who are members of the New York State Retirement System as soon as practicable following the signing of the Agreement.

TERMINAL ALLOWANCE

53. Notice of retirement shall be given to the District by February 1st of the school year preceding payment hereunder and shall be at least ninety (90) days prior to retirement. Provided such notice is given, the retiree shall receive a per diem rate of compensation of two (2) days' pay for every five (5) days of accumulated, unused sick leave up to a maximum of one hundred eighty (180) days of unused sick leave.

Payment shall be made in the first pay period of July for those retiring prior to the July 1st following their notice, and in the first pay period following retirement for those retiring after July 1st following their notice.

Where emergency medical reasons warrant, ninety (90) days' notice of retirement shall be acceptable.

REPORTING TIME – OVERTIME

Premium Rates of Pay

54. Overtime shall be interpreted as that time spent by any employee above and beyond the normal hours per day performed by the regular employee of the department and approved by policy of the Board of Education.

55. All work performed on Sunday and holidays shall be paid at a rate double the regular hourly rate of the employee performing the overtime.

56. Overtime shall be kept to a minimum and shall be construed as additional service under exceptional conditions.

57. Authorization of overtime shall be the responsibility of the supervisor of each department and shall not be delegated. Prior approval or disapproval is the responsibility of the Superintendent's designee. No overtime will be performed without specific approval.

58. Approved overtime work shall be paid to the employee earning it at the rate of time and one-half (1-1/2) of the employee's current rate of pay.

Distribution

59. Overtime shall be divided as equitably as possible among all employees of a job classification unless such overtime work requires special skill or job classification, which does not lend itself to equitable treatment of all employees in that department.

60. Rotation of overtime hours shall be established by a list and conspicuously posted by all departments. Refusal to work overtime shall automatically place the employee refusing overtime at the bottom of the list.

61. Overtime work shall be offered on a seniority list basis. There shall be no discrimination against any employee who declines to work overtime. When the list is exhausted, and no one has offered to perform the duty, the person on top of the list must perform the overtime work.

62. No employee shall have his work schedule or day off changed for the purpose of avoiding overtime.

Call-in Time

63. Full-time 12-month employees who are called in to work after ending or before starting their regularly scheduled shift shall be paid at the rate of time and one-half (1-1/2) for a minimum of three (3) hours, except that the employee called in less than three (3) hours prior to the start of the shift shall receive such rate only to the beginning of that shift and for the actual hours worked after such shift.

SENIORITY

64. Seniority means an employee's length of continuous service with the Employer since the date of probationary appointment per School Board minutes and is defined as District-Wide Seniority.

Probationary Employees

65. When new employees complete their probationary period they shall be entered on the seniority lists.

Seniority Lists

66. Every twelve (12) months, the Employer shall supply the Association seniority lists showing the continuous service of each employee. Such list shall indicate the employees' names, dates of probationary appointments and job titles and date of permanent appointment to their job title.

Breaks in Continuous Service

67. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause or retirement.

Job Title (Classification) Seniority

68. Shall commence at the date of permanent appointment to a job classification and continue only if the employee continuously works within the job title.

WORK FORCE CHANGES

Promotions and New Jobs

69. When a promotional vacancy exists, it shall be posted as a promotional opportunity in all schools and departments and shall be filled through the following:

70. Notice of the vacancy shall be posted in all buildings of the School District and adequate time shall be allowed for application (five (5) working days) for interested qualified employees to apply in writing to the school administration.

71. The posted notice shall set forth the job title, shift, location and prerequisite qualifications for the job. Among the factors to be considered in making a promotional appointment are the employee-bidder's qualifications, education, experience, and seniority, although no single factor shall be controlling. The employee-bidder selected by the District shall be assigned the opening and moved to the job, and shall be given a trial period of up to sixty (60) work days in which to demonstrate the ability to satisfactorily meet the standards and perform the duties of the job. After sixty (60) days in a new position, an employee shall lose his/her previous building seniority, however, involuntary transfers shall hold their previous building seniority for one (1) year.

72. In the event that the successful bidder is deemed unsatisfactory, or if he/she elects to reject the job during the first twenty (20) workdays after assignment, he/she shall be restored to the job from which he/she had originally bid and shall retain all seniority rights held under such job. Employees so promoted shall remain in that position if judged capable by that divisional supervisor.

Temporary Assignments

73. If an employee is temporarily placed in a lower classification than that in which he/she is regularly assigned, no reduction in pay will be effected. If an employee is temporarily placed in a higher classification than that in which he/she is regularly assigned, the affected employee shall be paid at the rate of the higher classification for all time spent on this assignment. However, if due to austerity, an employee is placed in a lower classification temporarily, the Board reserves the right to make adequate wage adjustments.

Layoff

74. Except for competitive employees, in the event it becomes necessary to lay off employees for any reason, employees shall be laid off by trade. The District shall designate the trade of each member of the unit for layoff purposes by September 1, 1981. The Union shall be given notice of changes in the list. Layoffs shall be made based on the inverse order of their seniority in the District.

75. In the event the Employer plans to lay off employees for any reason, the Employer shall meet with the Association to review such anticipated layoff at least thirty (30) days prior to such layoff.

76. The Employer shall forward a list of these employees being laid off to the Association Secretary on the same date that the notices are issued to the employees.

77. Employees to be laid off will have at least fourteen (14) calendar days notice of layoff.

78. Employees who have been laid off shall be entitled to fill other vacancies in the District at the time of their layoff provided they are qualified for the position. Employees shall be deemed qualified only if they have formerly held the position in the District in the past.

Demotions

79. The term demotion as used in this provision means the involuntary assignment of an employee to a lower rated job classification.

80. Demotions shall be made for just cause or in the exercise of the provisions of the Civil Service Law, or other provisions contained elsewhere in this contract.

Recall

81. Employees shall be recalled from layoff in reverse order of their layoff.

82. When the working force is increased after a layoff, employees will be recalled according to title seniority. Notice of recall shall be sent to the employee at his/her last known address by registered mail. If any employee fails to report to work within three (3) days from the date of mailing of notice of recall, he/she shall be considered as resigning his/her position. Recall rights for an employee shall expire one (1) year from the date of layoff. Written notice of expiration of recall rights shall be sent to the employee at his/her last known address by registered or certified mail.

83. No new employees shall be hired to fill reinstated positions until all employees on layoff status desiring to return to work have been recalled.

Transfers

84. The District reserves the right to transfer employees within their job title according to the needs of the District. In making such determination, the District shall consider the seniority of the employee as one of the criteria utilized to make its decision. The determination of the District shall not be arbitrary or capricious.

85. Employees who so desire have the right to request a transfer by making written application to the Assistant Superintendent of Personnel or other designated administrator. Such requests may be granted at the discretion of the District.

Shift Preference

86. Shift preference will be granted where applicable on the basis of seniority within the same classification where a vacancy exists.

SAVINGS CLAUSE

87. Should any section or portion of this agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall only apply to the specific section or portion directly specified in the decision.

DISCIPLINE AND DISCHARGE

88. All employees covered under this agreement who have been employed for five (5) years or more shall be afforded all rights under Section 75 of the Civil Service Law and the rules and regulations of the Suffolk County Civil Service Commission in all matters involving discipline and discharge.

Employees who have completed their probationary period but have not yet been employed for five (5) years may be suspended or discharged for just cause. Alleged violations of this provision shall be subject to the grievance procedure.

89. Before a discharge or disciplinary action is imposed on an employee, the Employer shall notify the employee, Association President, and Association Steward in writing of the charges.

90. The disciplined employee, upon request, will be allowed to discuss his/her discharge or discipline with his/her steward or other authorized Association representative. The Employer will make an area available to the employee for private discussion prior to the employee being required to leave the premises.

91. The employee shall have the right to be represented by the Association in case of a formal discipline or discharge hearing.

92. Upon written request an employee may summon the Association Steward in cases of reprimand.

SETTLEMENTS OF DISPUTES

Grievances

93. Any grievance or dispute which may arise between the parties with respect to the applicable meaning or interpretation of this agreement shall be settled in the following manner:

Step 1 - The Association Steward shall take up the grievance with the immediate supervisor of the employee or employees involved within ten (10) days of its occurrence. If, at that time an Association

Steward is unaware of the grievance, he/she shall take it up within ten (10) days of his/her knowledge of its occurrence. The Supervisor shall then attempt to adjust the matter and shall respond to the Steward within three (3) working days. The employee shall receive a written response to a grievance at Step 1, if the grievance is submitted in writing on the appropriate form.

Step 2 - If the grievance has not been settled, it shall be presented in writing by the Association Steward to the Superintendent's designee within seven (7) workdays after the supervisor's response is due. The Superintendent's designee shall respond to the Association Steward in writing within five (5) working days.

Step 3 - If the grievance still remains unadjusted, it shall be presented by the Association Steward or other Association representative to the Board of Education in writing within seven (7) working days after the response of the Department Head is due. The Board of Education shall respond in writing to the Association Steward or other representative within twenty (20) working days.

Step 4 - (a) If the grievance is still unsettled, the Association may, within fifteen (15) days after the reply of the Board of Education is due, by written notice to the Board, request arbitration.

(b) The failure of the Association Steward or other representatives to meet the time limits of any step shall bar further processing of the grievance and arbitration.

(c) Nothing in this grievance procedure shall prevent any employee from initiating and processing a grievance, but only the Association can request arbitration.

Arbitration Procedure

94. The arbitration proceedings shall be conducted by an arbitrator to be selected by the Employer and the Association within seven (7) workdays after notice has been given. If the parties fail to select an arbitrator, the arbitrator shall be selected pursuant to the rules of the American Arbitration Association.

95. The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his/her decision within thirty (30) days after the conclusion of testimony and argument.

96. No arbitrator shall have any power to amend, modify or delete any provisions of this agreement.

97. The expenses for the Arbitrator's services and the filing fees, if any, shall be shared equally by the District and the Association. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and to the arbitrator.

Processing Grievances During Working Hours

98. The Unit President and Shop Stewards shall be granted a reasonable amount of time off with pay, within the discretion of the District, for the purpose of processing grievances.

99. Time limits contained herein may be extended by mutual agreement in writing.

STRIKES

100. No strike of any kind shall be caused or sanctioned by the Association.

SNOW DAY POLICY

101. (a) Maintenance employees will report to work during emergency school closings.

(b) Unit members who are required to work when school is closed due to inclement weather pursuant to this provision or due to the designation of a calendar adjustment day, who actually report to work and complete their full work day, shall be given one (1) day off with pay for four (4) days plus such additional inclement weather days as may be used that year, to be assigned in the sole discretion of the Superintendent of Schools or his/her designee. Each unit member shall annually have the option of compensatory time or pay for all of the days credited to that unit member for that year pursuant to this paragraph.

102. All sick leave policy and administrative regulations relating to it are in effect during emergency school closings due to inclement weather.

103. All personnel who are required to work during emergency school closings but are experiencing transportation difficulty due to impassible roads, and are essential to the operation and protection of the District, are to call the central switchboard and report the conditions which prevent them from reporting. If possible, a District vehicle will be sent to pick up all personnel whose services, in the opinion of the Superintendent or his/her designee, are absolutely essential for the safety, welfare, protection and operation of the District. Personnel complying with this Section shall not suffer loss of pay. Personnel who do not comply with this Section cannot claim pay for the time lost except that an emergency personal day can be claimed by such employees provided all personal leave days have not been previously used.

GENERAL PROVISIONS

104. Coveralls shall be provided to employees whenever employees are required to clean boilers. Maintenance of the coveralls shall be the responsibility of the employees.

Garage mechanics shall be reimbursed for the reasonable cost of three (3) sets of uniforms to be maintained by the employees.

Disabled Employees in Jobs Dangerous to Health

105. The Employer shall make every effort to place employees who, through physical disability, or who have become partially disabled and diagnosed as such by the School Physician, in suitable position if available. In no case shall the placement of an employee become detrimental or over burdensome to his/her fellow employees' workload. If no such position exists or if by placement in a position the employee is found to be or is identified as a burden to his/her fellow workers, he/she shall be required to ask for a medical leave of absence.

Promotion Pay

106. When an employee is promoted, he/she shall be placed on the appropriate salary step of his/her new classification so as to cause a minimum increase remuneration of \$300.00.

Assignment Outside of Workday

107. The establishment of personnel assignment outside of the regular working day is the prerogative of management and shall be continued under its present fair practice for all departments and employees.

Labor-Management Committee

108. There shall be a labor-management committee that will meet to consider mutual problems regarding terms and conditions of employment. The party requesting the meeting shall submit an agenda to the other party at least five (5) workdays in advance of the meeting. Unless mutually agreed upon by the parties, no more than one meeting shall be held each month.

Medical Tests

109. All employees who are required by the District, N.Y.S. Education Department, or other department, or by local or state law to have regular tests conducted by a medical doctor or special tests ordered by the school doctor in order to continue working, shall be compensated for any costs of the tests, less any amount reimbursable under the applicable insurance coverage.

TERMINATION AND MODIFICATION

110. This Agreement shall be effective as of the first day of July, 2019 and shall remain in full force and effect until the thirtieth day of June, 2022. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing one hundred eighty (180) days prior to the termination date that it desires to modify this agreement. In the event that such notice is given, negotiations shall begin not later than one hundred fifty (150) days prior to the termination date; this agreement shall remain in full force and be effective during the period of negotiations or

until notice of termination of this agreement is provided to the other party in the manner set forth in the following paragraph.

111. In the event that either party desires to terminate this agreement, written notice must be given to the other party not less than ten (10) days prior to the desired termination date which shall not be before the anniversary date set forth in the preceding paragraph.
