1.0 THE AGREEMENT

1.1 Term of Agreement

This agreement shall be effective July 1, 2019, and all terms and conditions shall remain in force and effect until June 30, 2022, except as hereinafter otherwise specially provided.

1.2 Past Better Conditions

Any "terms and conditions of employment" not specifically covered herein shall not be changed during the life of this agreement without prior negotiations with the Association.

1.3 Required Notice

The following notice is included in this agreement as required by law:

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

1.4 Changes in Personnel Policy

Should the District contemplate changes in personnel policy that involve "terms and conditions of employment" which are not covered by this agreement, and which would affect any or all of the employees covered by this agreement, the District shall apprise the Association of such changes, and notification shall be given not later than ten (10) working days prior to such action or change. Such changes shall not be implemented prior to discussion with the Association, if discussion is requested.

1.5 The Association and the employees recognize the right of the District to legislate and regulate work rules for all employees of the District as provided by law. The Association and employees further recognize the right of the District to manage its affairs and to direct the work force, and to be able to make all decisions as to the operation of the school system and its work force, including, but not limited to, the increase and/or decrease of the work force, discipline, and all other rights normally inherent in management, except as is otherwise limited by the terms of this agreement.

2.0 ASSOCIATION STATUS AND RIGHTS

2.1 Recognition and Leave

(a) The District recognizes the Association as the exclusive representative for the purposes of collective negotiations and pursuant to Article 14 of the Civil Service Law of all teacher aides and attendance aides including part-time employees, but excluding substitute and temporary employees. The period of unchallenged exclusive recognition shall continue through the maximum period allowable by law.

(b) Assignment of work to clerical/data processing and teacher aides and/or attendance aides shall be done in accordance with past practice of the parties.

(c) Union Business - Up to a maximum of forty-eight (48) hours per year shall be available for Association business. Prior approval must be secured from the Superintendent or his/her designee and the individuals' immediate Supervisor. Approval shall not be unreasonably withheld.

2.2 Dues Deduction

At the member's request, the District shall deduct from pay dues as designated by the Association for membership in the Association on the basis of individually signed, voluntary

deduction authorization cards; in form agreed to by the District and the Association.

2.3 Grievance Procedure

(a) Any grievance or dispute which may arise between the parties with respect to the applicable meaning or interpretation of this agreement shall be settled in the following manner:

STEP 1 - The Association shall initiate the grievance with the immediate supervisor of the employee or employees involved within fifteen (15) working days of when the Association knew or should have known of its occurrence. The Supervisor shall then attempt to adjust the matter, and shall respond to the Association within five (5) working days. The Association shall receive a written response to a grievance at Step 1, if the grievance is submitted in writing on the appropriate form.

STEP 2 - If the grievance has not been settled, it shall be presented, in writing, by the Association to the Superintendent's designee within seven (7) working days after the Supervisor's response is due. The Superintendent's designee shall respond to the Association, in writing, within five (5) working days.

STEP 3 - If the grievance determination by the Superintendent or his/her designee is found to be unsatisfactory, the Association may petition the Board of Education to review the decision of the Superintendent or his/her designee in Executive Session within two (2) calendar weeks. The Board of Education shall respond, in writing, to the Association within five (5) working days after the review of the grievance.

STEP 4 - (a) If the grievance is still unsettled, the Association may, within fifteen (15) working days after the reply of the Board of Education is due, by written notice to the Board, indicate its intention to arbitrate.

(b) Failure to respond within the indicated time limits shall allow an

appeal as if a denial had been made the last day possible.

(c) Nothing in this grievance procedure shall prevent any employee from initiating and processing a grievance, but only the Association can request arbitration. In the event an employee initiates a grievance, the Association shall be given the opportunity to participate in all proceedings.

(d) When an employee has a grievance pending, filed by the Association, no representative of the District shall discuss the grievance or related conditions of employment with that employee, unless a representative of the Association shall be present.

(e) Processing of grievances prior to arbitration shall be held during regular working hours. Arbitration proceedings shall be conducted after regular working hours. The cost of the arbitrator shall be shared by the parties.

(f) Whenever the Association initiates a grievance on its own behalf, the grievance procedure shall commence at Step 2 above.

2.4 Arbitration

(a) Selection of the arbitrator shall be made pursuant to the Voluntary Rules of the American Arbitration Association. The arbitrator shall have no authority to add to, modify or delete from the provisions of this agreement, but shall only be empowered to interpret the provisions herein.

(b) The decision of the arbitrator shall be final and binding upon all parties, and shall be complied with promptly.

2.5 No Strikes

The Association affirms that it does not assert the right to strike against the District or any government, nor will it assist or participate in any such strike, nor impose an obligation to conduct

a strike, or participate in such a strike.

2.6 Representative Status

The Association affirms it will represent all employees in the unit described in Section 2.1 above without regard to whether or not they are members of the Association.

2.7 Involuntary Transfers

available.

An employee who is recalled shall, upon return to duty, be compensated at the same step as she was paid during the last year of service if she worked less than the full year, and at the next step, if applicable, if she worked the full year. Teacher Aides must submit a request for approval of a personal day before and/or after a long weekend or vacation period. The Superintendent recognizes that there are circumstances which are beyond an employee's control (i.e. legal matters, family events/emergencies), and agrees to consider such factors when evaluating a request. Such determinations will not be arbitrary or capricious. Teacher Aides who take a personal leave day shall notify the District in accordance with District policy.

Such unpaid leave, if granted, shall commence at the end of a semester or school year and terminate in September, with a maximum of one (1) full school year of leave. Requests for such leaves must be submitted at least sixty (60) days in advance of the commencement of such leave and the request must include the commencement date and termination date of such requested leave. Employees granted such leaves must advise the District if they plan to return from such leave at least forty-five (45) days prior to the end of a semester leave or by March 15 for a full school year leave.

Teacher aides who have worked 1,150 hours during the 12 months prior to the start of a requested Family Medical Leave Act leave of absence, and who otherwise are eligible, shall be entitled to the provisions of that Act. The teacher aides' lunch break shall be counted for purposes of calculating the 1,150 hours.

Absence due to illness or injury incurred in the course of the Teacher Aide's employment as defined in the New York State Workers' Compensation Law shall not be charged against the

Teacher Aide's sick leave, provided that the Teacher Aide shall pay to the District the benefits received under the Workers' Compensation Law for loss of salary during such absence. Payments pursuant to this Article shall terminate after one (1) year. Thereafter, payments to the Teacher Aide shall be in accordance with the Workers' Compensation only.

14.0 PAYMENT OPTION

Teacher aides and/or attendance aides may choose at their individual option to be paid over twenty-one (21) or twenty-six (26) pay periods. The District's rate of contribution for those employees retiring after July 1, 2013, shall be 55% of the premium for individual coverage for eligible retirees, and 40% of the difference between premiums for individual and family coverage for retirees eligible for family coverage. Effective July 1, 2013, there shall only be two health insurance plans (NYSHIP or HIP Access) offered to all active employees as well as employees retiring from the District as of July 1, 2013 and thereafter.

To be eligible for health insurance into retirement, the member must have ten (10) years of full-time service within the District. For purposes of this provision only, full-time service shall be defined as a unit member working six (6) hours/day or more with a minimum of thirty (30) hours a week for the entire school year.

Employees electing health insurance coverage must notify the District in writing on or
