

# Welcome To KINDERGARTEN

Dear Parents/Families,

Welcome to kindergarten! Our names are **Melissa Cenerelli** and **Jacqueline Agugliaro** and we will be your child's kindergarten teachers. Kindergarten is a year filled with growth and new experiences and it will be an exciting one for not only your child, but for you as well.

We believe in building a strong relationship with our students; one where kindness and respect goes both ways. Our main goal this year will be to get your child to fall in love with school, books and learning; and we are confident that they will! We also strive to help each and every one of our students to develop to their fullest potential in an interesting and stimulating learning environment. We are looking forward to getting to know both you and your child this year.

In order for us to get to know your child more quickly, it would be a great help if you could fill out the attached form titled "Tell Us About Your Child" and return it to school as soon as possible or, if you prefer, you may email it to us. **Please be sure to include both of us on all emails throughout the year. Since we are co-teachers, it is important for both of us to be informed.** You are your child's first teacher and we value and look forward to your input! Please feel free to add any other comments or note any questions or concerns you may have. We will also be communicating through the Class Dojo app. More information regarding how to join our class on Class Dojo will be sent home during the first week of school. Please know that your child's health and safety, social/emotional learning and academic development are all equally important and will be integral components of our lessons and our day!

We are looking forward to a fantastic year for all of us. We will make it a special and fun year as we work together to help your child reach his/her fullest potential. Thank you in advance for your support and cooperation.

We look forward to meeting you!

- Photo ID is required to enter the building at all times.
- For early dismissals, please send in a note on the day you will be picking your child up early or call the main office.
- A snack time will be reserved each day. Please send in a nutritious snack and drink. Please no candy or soda.
- Please make sure that your child knows in advance if they are buying lunch and what they are buying. It is also very helpful for your child to have their snack items separate from their lunch items. It may be helpful for your child if you label the bag with the word “snack” and a symbol such as a smiley face or star. Please discuss with your child what is for snack and what is for lunch prior to school each day.
