

September, 2024

Dear Perfect Penguins,

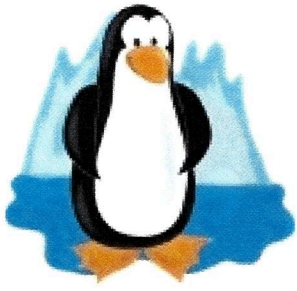

My name is Ms. Onek and I just found out that I will be your kindergarten teacher. I was hoping you would be in my class. What great luck! I hope you are having a great summer and are just as excited as I am to begin our great kindergarten year together. I can't wait to hear about all of the special things that you did over the summer.

Our very special penguin class is room number K-110. It is decorated with lots of colors, toys, blocks and books. The only thing that our room needs to be the best room ever is YOU! You are going to make lots of new friends this year in kindergarten, so don't be scared. We are going to learn so many cool things such as how to read and write stories.

Kindergartners need to have some special things when they come to school, so be sure to help mom and dad look for the supplies listed with this letter. I can't wait to meet you and start our very exciting and FUN year. Enjoy the rest of the summer and I will see you in September.

Your teacher,
Ms. Onek

* Moms and dads, a more detailed letter pertaining to classroom rules and policies will be distributed during the first week of school. Thank you and I look forward to meeting all of you. ☀
