

(IAP)

Immunization Action Program

SUFFOLK COUNTY DEPARTMENT OF HEALTH

Updated COVID-19 vaccines now available

TO GET THE NEW COVID-19 VACCINE FROM AN IAP CLINIC YOU MUST QUALIFY FOR THE VFC OR VFA PROGRAMS:

Vaccines for Children (VFC)

A child is eligible for VFC if they are younger than 19 y.o and meet at least one of the following criteria:

- Medicaid-enrolled
- Uninsured
- Underinsured
- American Indian or Alaskan Native

Vaccines for Adults (VFA)

You are eligible for vaccines through VFA if you are 19 y.o or older and meet at least one of the following criteria:

- Uninsured
- Underinsured (i.e., health insurance does not cover the costs of the vaccine to be administered)

Children and Adults who are not VFC/ VFA eligible can obtain COVID vaccines at many locations throughout Suffolk County. For more information, scan the QR code below
