

INTERSCHOLASTIC ATHLETICS

The St. Mary Parish School Board believes that the competitive athletic program is a part of the overall educational program of the school system. It also believes that the athletic program should be closely coordinated with the general instructional program of the school, and that the aims achieved through athletics should justify its inclusion in the overall educational program.

ATHLETIC PROGRAM

Interscholastic athletics may be made available for students in the schools of the school district. The Superintendent or his/her designee shall develop and maintain an athletic program in the school district that emphasizes participation of all students. The conduct of all athletic programs within the school district shall comply fully with regulations of the *Louisiana High School Athletic Association* (LHSAA) and policies of the School Board. PARTICIPATION OF STUDENTS IN HOME STUDY PROGRAMS

[A public school shall not disqualify a student from participating in interscholastic athletics solely because the student is enrolled in an approved home study program, so long as the student lives in the attendance zone of the public school, and meets the qualifications as detailed in policy IDCH, Home Study Program.](#)
