DROP-OFF/BULLDOG PICK-UP PROCEDURES

A.M. Drop-Off Procedures (8:10-8:30 a.m.)

- Begins at 8:10 a.m. Students are not permitted to enter the building prior to this time, unless attending the Y-Care program.
- Please join our drop-off line in the east/stadium parking lot and wait patiently for the line to move forward.
- Your child will be required to remain in the vehicle until entering the designated drop-off area. To maximize efficiency, please pull ahead to the furthest point along the curb. All students must exit the vehicle on the right side onto the sidewalk.
- Students will enter the building at Door 3 (side).
- Parent drop-off ends promptly at 8:30 a.m. All students are expected to be seated in homerooms by 8:35 a.m.

P.M. Pick-Up Procedures (3:10-3:30 p.m.)

- All parent pick-ups will take place at the drop-off area (east/stadium parking lot) by Door 3, beginning at approximately 3:10 p.m. Due to the rerouting of Bulldog Boulevard and the need to create a new bus path through the stadium parking lot, the starting location of our PM parent pick-up line will be adjusted until May 2024. Please see the map [here](#) for updated details. After buses have cleared at approximately 2:55 p.m., cars will be released to our typical parent pick-up line formation from Door 3.
- If you are regularly picking up your child, please sign up to obtain a **Bulldog Pick-Up Pass** by [CLICKING HERE](#).
- For safety purposes, parents are not permitted to wait outside Door 3 or approach the pick-up area on foot.
- Remain in your vehicle and join our pick-up line. Place your Bulldog Pick-Up Pass in a visible location, preferably in the passenger side window. Pull up to the designated curbside area, then your child will be safely released to your vehicle.
- If you desire to pick up your child in person, it is required to sign him/her out in the school office. Please remember to send a note in the morning to alert the teachers and office staff of these occurrences. We ask that last-minute pickups be called into the office prior to 2:30 p.m. so we can make the appropriate arrangements.

Student Walkers

- As always, school transportation or parent pick-up is the surest way to get students home safely, so please encourage your child to ride a bus or go through parent pick-up.
- Green Intermediate students are permitted to walk **with written permission from a parent or guardian** if they live within a close proximity to the school. Please consider the maturity level of your child before allowing them to have this privilege. If the student is walking daily, please send a note to the office to keep on file. Students walking occasionally (e.g., Dairy Queen, Green Middle School, Green Library, etc.) should submit a note of permission from parent/guardian for that day and receive a walking pass from the main office in the morning. Walkers will be held on campus until approximately 3:20 p.m. or until the daily traffic has slowed to a safe flow for the students to be released. These students will be escorted to a crosswalk in front of the building.

For more detailed information regarding our school policies and procedures, please refer to the Parent/Student Handbook, which is available at <https://gis.greenlocalschools.org>. Thank you for your understanding and support. We look forward to a great year of partnering together!
