

Breakfast Encourages Students to Thrive!

Breakfast is served daily in the school cafeteria! School breakfast will give your child a healthy start to the day.

All ISD 728 students receive a free reimbursable breakfast every day.

Top 5 Reasons to Eat School Breakfast:

1. Fuels the brain to get focused for learning.
2. Convenient and easier than making breakfast on your own, or stopping somewhere on the way to school.
3. Time to catch up with friends.
4. Packs a nutritional punch and guaranteed to have whole grains, fruit and milk.
5. Good breakfast = good mood!

For menu information and serving times, visit the District website.
