COOSA ELEMENTARY
A LEADERSHIP SCHOOL

Dear Partner,

School-Community partnerships are an integral part of growing good citizens. We are honored that you are considering becoming a partner. These annual partnerships are agreements between a business, agency, or organization and a school to work together for the purpose of enhancing education and building your business (a Win-Win for all!).

Our teachers are creative, committed professionals who always look for new and exciting ways to reach our students. However, instructional innovations and teacher requests for special programs can sometimes be limited by available resources. We need time, talents, and the financial support of our partners to provide additional opportunities for our students. Your donations and partnerships help us to enhance our students' educational experiences. A detailed list of ways you can partner with us is provided on the back of this letter.

If you have any questions, please contact Melissa Pender (Melissa.Pender@beaufort.k12.sc.us) or Renee Roberts (Renee.Roberts@beaufort.k12.sc.us) by email or phone (843-322-6100). We greatly appreciate your willingness to participate in our Business Partners Program. We look forward to building relationships with you and your business.

Thank you,

Melissa Pender, Principal

Renee Roberts, Assistant Principal
