**Willow Creek Golf &**  
**Country Club,**  
**Mt. Sinai**

***Be a part of this  
special day...***

Proceeds from this event are dedicated  
by the Foundation to support Middle  
Country students in the form of  
scholarships, increased educational  
opportunities and enhancements.

There is ample need for sponsors and  
prize donors, and we will, of course look  
forward to your participation should you  
and/or company staff like to join us for a  
round of golf!

The Foundation is preparing vendor  
publicity materials and golfer foursomes.  
Please submit your sponsorships and  
golfer registrations promptly, so that your  
company can get recognition for  
participation in the event, and to help us  
get golfers properly grouped and  
registered with the country club!

***For further information call...***

**The Dr. Karen J. Lessler Memorial Scholarship Fund**

A life that touches others goes on forever.

Dr. Karen J. Lessler served the Middle Country and Long Island educational community for over 25 years.

Karen's leadership and devotion to the Middle Country students and community will have positive impacts for years and years to come.

The MCEF is proud to announce this year's annual golf fundraiser as the MCEF "Dr. Karen J. Lessler Memorial Golf Outing Fundraiser".

One senior from each high school will be awarded a scholarship for their commitment to lifelong learning and service to others.

The Dr. Karen J. Lessler Memorial Scholarship Fund accepts support and donations in Karen's name and honor, thereby expanding the MCEF scholarship reach to high school students who excel in the broad and special area of leadership in their school communities. The scholarship will help awarded students carry those special qualities of character and leadership into the adult world ahead.

We will never forget someone who gave us so much to remember.
