Lexington County School District One Standard Purchase Order Clause Set

AGREEMENT means any transaction or agreement arising out of, relating to, or contemplated by the relationship of which a purchase order forms a part. The terms and conditions of this document (including the attached purchase order) shall apply notwithstanding any additional or different terms and conditions in any invoice or other document including without limitation, (i) a purchase order or other instrument submitted by the District, (ii) any invoice, confirmation, or other document submitted by Contractor, or (iii) any privacy policy, terms of use, or end user agreement. Any document signed or otherwise agreed to by persons other than the Procurement Officer shall be void and of no effect. Contractor shall not perform any work prior to the receipt of a purchase order from the District. The District assumes no liability for any expenses incurred prior to the effective date of the contract and issuance of a purchase order.

ASSIGNMENT, NOVATION, AND CHANGE OF NAME, IDENTITY, OR STRUCTURE: (a) Contractor shall not assign this contract, or its rights, obligations, or any other interest arising from this contract, or delegate any of its performance obligations, without the express written consent of the responsible Procurement Officer. The foregoing restriction does not apply to a transfer that occurs by operation of law (e.g., bankruptcy; corporate reorganizations and consolidations, but not including partial asset sales). Notwithstanding the foregoing, contractor may assign monies receivable under the contract provided that the District shall have no obligation to make payment to an assigned until thirty days after contractor (not the assigned) has provided the responsible Procurement Officer with (i) proof of the assignment, (ii) the identity (by contract number) of the specific District contract to which the assignment applies, and (iii) the name of the assignee and the exact address or account information to which assigned payments should be made. (b) If contractor amends, modifies, or otherwise changes its name, its identity (including its trade name), or its corporate, partnership or other structure, or its FEIN, contractor shall provide the Procurement Officer prompt written notice of such change. (c) Notwithstanding any other provision, payment shall be made in accordance with the District's Procurement Code Section 45, which provides the Contractor's exclusive means of recovering any type of interest from the Owner. Contractor waives imposition of an interest penalty unless the invoice submitted specifies that the late penalty is applicable.
