Troutman Elementary PTO President's Letter

I am excited to kick off the 2024-2025 school year and hope it is an extraordinary one for all our new and returning families. This year I have the honor of serving as the PTO president and leading our stellar executive team. Along with our great teachers, our dedicated parents and volunteers are truly the ones who help make our TES family extraordinary. Our teams have already been hard at work this summer prepping for the upcoming school year so please take a moment to explore what we have to offer:

Get Involved! The purpose of the TES PTO is to enrich the educational environment for our children and foster efficient communication between the school and our families and community. It takes many helping hands and funds raised to make that happen, and parent volunteers are an essential part. The PTO helps coordinate many great events and opportunities throughout the year for our students and teachers, but we can't do that without support. Whether you can give a few minutes or several hours, help virtually or on campus, there is something for everyone and every schedule. Complete our volunteer form so we can reach out and get you plugged in where your talents and interests can best be used.

Become a Member! I encourage you to become a member of our PTO. Being a part of the PTO builds community, fosters communication and is a great introduction to getting involved at Troutman Elementary.

Stay Connected! Attached to this letter, you can find PTO contact information, important dates and forms, descriptions of events and volunteer opportunities. Visit our page regularly and follow our social channels on Facebook and Instagram to learn the most up to date information.

Please reach out with any questions. The PTO team will do their best to communicate with you so you can stay informed and involved. Our PTO's success relies on our parent involvement, and I look forward to connecting with you to make this an extraordinary year!
