Jointly Revised May 5, 2024

As ONE GAINESVILLE, we will inspire, nurture, challenge and prepare our students as we educate them to be successful in a 21st century global society.

District/New Holland Goals:

By June 2025, increase achievement on state assessments in the area of ELA and math by 3 percentage points.

What is a School/Parent Compact?

The NHLA School /Parent compact is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level goals.

District/New Holland Goals:

By June 2025, increase the percentage of students on track to graduate by 2 percentage points at the high school level and decrease the percentage of students in Tiers 2 and 3 by 2 percentage points.

SCHOOL

We will work with students and families to support student success in reading and math by:

- Providing small, flexible-instructional groups activities for reading and math
- Integrate writing skills into all subject areas
- Offering quarterly Family Fun Nights and Parent Camps
- Discuss the Compact and individual student achievement during annual conferences and/or meetings
- Provide parents with books and other resources at home

PARENTS

Parents and teachers developed ideas about how families can support students' success in reading and math such as:

- Get Connected (Twitter, GCSS webpage, Dojo)
- Use resources to continue learning experiences at home (online sites, games, manipulatives, real life experiences)
- Visit our Parent Center to check out fun, engaging games and learning kits to increase reading and math skills
- Read the weekly folders for class information. Talk to your child about interesting things happening at school
- Discuss the 4-R's- Ready (To Learn), Respectful (Be kind), Responsible (Prepared for class) and Role-Model (Problem-Solving)

STUDENTS

How can students succeed at school and reach their goals?

- **Be the One** (Ready, Respectful, Responsible, Role Model)
- Read communication sent home with my parent(s) nightly for instruction and teacher notes
- Take home class newsletters and notices about Family Nights. Encourage your family to come enjoy the fun!

Jointly Developed:

Our compact was developed by parents, teachers and students as a way to share ideas that will help our students succeed. The compact will be revised annually.

Parents are welcome to contribute comments at any time- call 770-287-1095.

Building Partnerships:

- Parent-Teacher Conferences
- Parent Workshops
- Curriculum Nights
- Open House
- Class Activities
- Events

Detailed info will be sent home.

Volunteers who work with students one on one or small groups must have a background check.

Communication about Learning

We are committed to frequent communication with families by:

- Class DoJo
- Conferences & calls
- Quarterly Report Cards
