

CURRICULUM/INSTRUCTION

Summer School

The district's summer program of instructional offerings may be for the purposes of remediation, enrichment, and/or any other classes determined to be appropriate by the administrators. Such classes shall have an approved curriculum with published student learning outcomes. Fees shall be charged to cover costs for which revenues are not otherwise provided, and shall be paid directly to the district office. To the extent that the district can absorb the cost, fees may be waived or reduced for students whose families would have difficulty paying the full fee. The USDA Child Nutrition Program guidelines shall be used to determine qualifications for waivers or reductions. Priority in fee waivers and reductions shall be given to remediation courses. Parents shall be informed of the availability of any fee waivers or reductions in the notice of the summer school program.

Summer school staff salaries shall be paid by the district through grants or tuitions charges summer school students. No payment shall be accepted by summer school staff from parents or students other than that paid by the district.`

The summer school program shall be open and advertised to all students in the district.
