Student Statement

(Suggested length of your statement: 200 - 300 words)

Provide a written statement that explains how your English Language Arts (ELA) coursework has adequately prepared you for reading, writing, and communicating in the future, given your post-secondary plans and intended career. In your statement, please address the following:

1. What reading, writing, and communication skills will you need for your career goals and post-secondary plans?
2. How have your ELA classes prepared you for your post-secondary plans?
3. How have your courses prepared you to evaluate the credibility and accuracy of multiple sources of information and make informed decisions or solve problems one might address in college, career, or life? Share an example of this.
4. Describe a clear, coherent written document you have produced, such as a proposal submission, an action plan, story, or cover letter applying for a job application.
