Introduction

Handbook Purpose

The purpose of the handbook is to acquaint you with general policies and procedures of the Fort Thomas Independent Schools that govern and affect your responsibilities as a coach.

Because this handbook is a general source of information, it is not intended to be, and should not be interpreted as, a contract. It is **not** an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies refer to specific forms that are available in the Fort Thomas Administrative Procedures Manual. It is the employee's responsibility to refer to the actual policies and/or administrative procedures for further information. Complete copies of those documents are available at the Central Office, in the Principal's office and on the District's web site. Policies and procedures also are available on line via the District's web site or through this Internet address: <http://policy.ksba.or/f05/>. Any employee is free to review official policies and procedures and is expected to be familiar with those related to his/her job responsibilities. Employees and students who fail to comply with Board policies may be subject to disciplinary action. **01.5**

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded policy codes** indicate related Board of Education policies. If an employee has questions, s/he should contact his/her immediate supervisor or any Central Office administrator.

This handbook is intended to be a tool to help implement local policies and procedures and guidelines established by the Kentucky High School Athletic Association (KHSAA) and other sport-specific governing bodies in the administration of student-athletics. For more detailed information about the KHSAA and the bylaws referenced in this handbook, please visit the following website:

www.khsaa.org

District Mission

Rich in tradition and focused on the future, the Fort Thomas Independent School District provides engaging and challenging learning experiences which foster creativity, curiosity and innovation, while inspiring all students to pursue lifelong learning and become productive members of the global community.

Athletic Program Philosophy

To promote safety, fairness and good sportsmanship at all levels of the District athletic program, coaches shall implement relevant policies and procedures of the Fort Thomas Board of Education, the SBDM council and the Kentucky High School Athletic Association (KHSAA).

It is the intent of the Board of Education that students participate in as many athletic activities for which they are eligible as they and their parents wish. To this end, coaches shall not attempt to persuade a student to “specialize” in a sport. Rather, it shall be the responsibility of all coaches to follow these guidelines:

- If student-athletes quit when faced with a possible suspension from eligibility or are removed from an activity for disciplinary reasons, they shall be ineligible to compete in another sport for the period of the disciplinary sanction imposed or for the period the sanction would have been imposed had s/he not quit.
- Student-athletes may participate in more than one (1) sport or sport activity during the same season, if both coaches are able to coordinate a student’s schedule.

Cutting of Participants

The coaching staff of each individual sport shall establish the process for deciding whether athletes will be “cut” during a tryout period during which the final composition of a team will be determined. If a coaching staff determines that “cuts” are necessary, they shall discuss with all athletes attending the tryouts the criteria to be used to evaluate the athletes during the tryout period. This procedure shall also describe the notification process that will be used to inform all athletes of their status following the tryout period. The coaching staff must make every effort to ensure that all athletes attending the tryouts clearly understand the criteria to be used to evaluate them.

The notification procedures used by the coaching staff shall include individual conferences with each athlete that does not make the final team. These conferences shall include feedback to the athletes on the areas where they might improve athletically and always ensure the dignity and growth of the individual student.

Conduct of Program

The athletic program shall be an integral part of the District's educational program. As such, it shall be the responsibility of coaches to see that all interscholastic and intramural athletic competition are in compliance with the constitution, bylaws, and competition rules of the Kentucky High School Athletic Association (KHSAA), the regulations and principles of the Southern Association of Colleges and Schools, and Title IX requirements. As a condition to KHSAA membership, each member school and Superintendent shall annually submit a written certification of compliance with 20 USC Section 1681 (Title IX).

(Conduct of Program – continued)

Coaches shall abide by:

- Policies adopted by the school council relating to evaluation of the athletic program that address program equity for both male and female athletics.
- Program implementation requirements developed by Superintendent/designee to promote compliance with Title IX requirements.
- Rules and limitations established by 702 KAR 7:065 and the local Board for students participating in middle school sports and sport activities. **09.31**

STUDENTS FIRST, ATHLETES SECOND

KHSAA Imposition of Penalties

If KHSAA rules and regulations are violated, penalties may be imposed on the school or individual within the defined parameters of Bylaw 27, the KHSAA Due Process Procedures. The Principal shall be responsible for oversight of the school's athletic program to see that it remains compliant with KHSAA rules.

<p>Please refer to KHSAA Bylaw 27.</p>
--

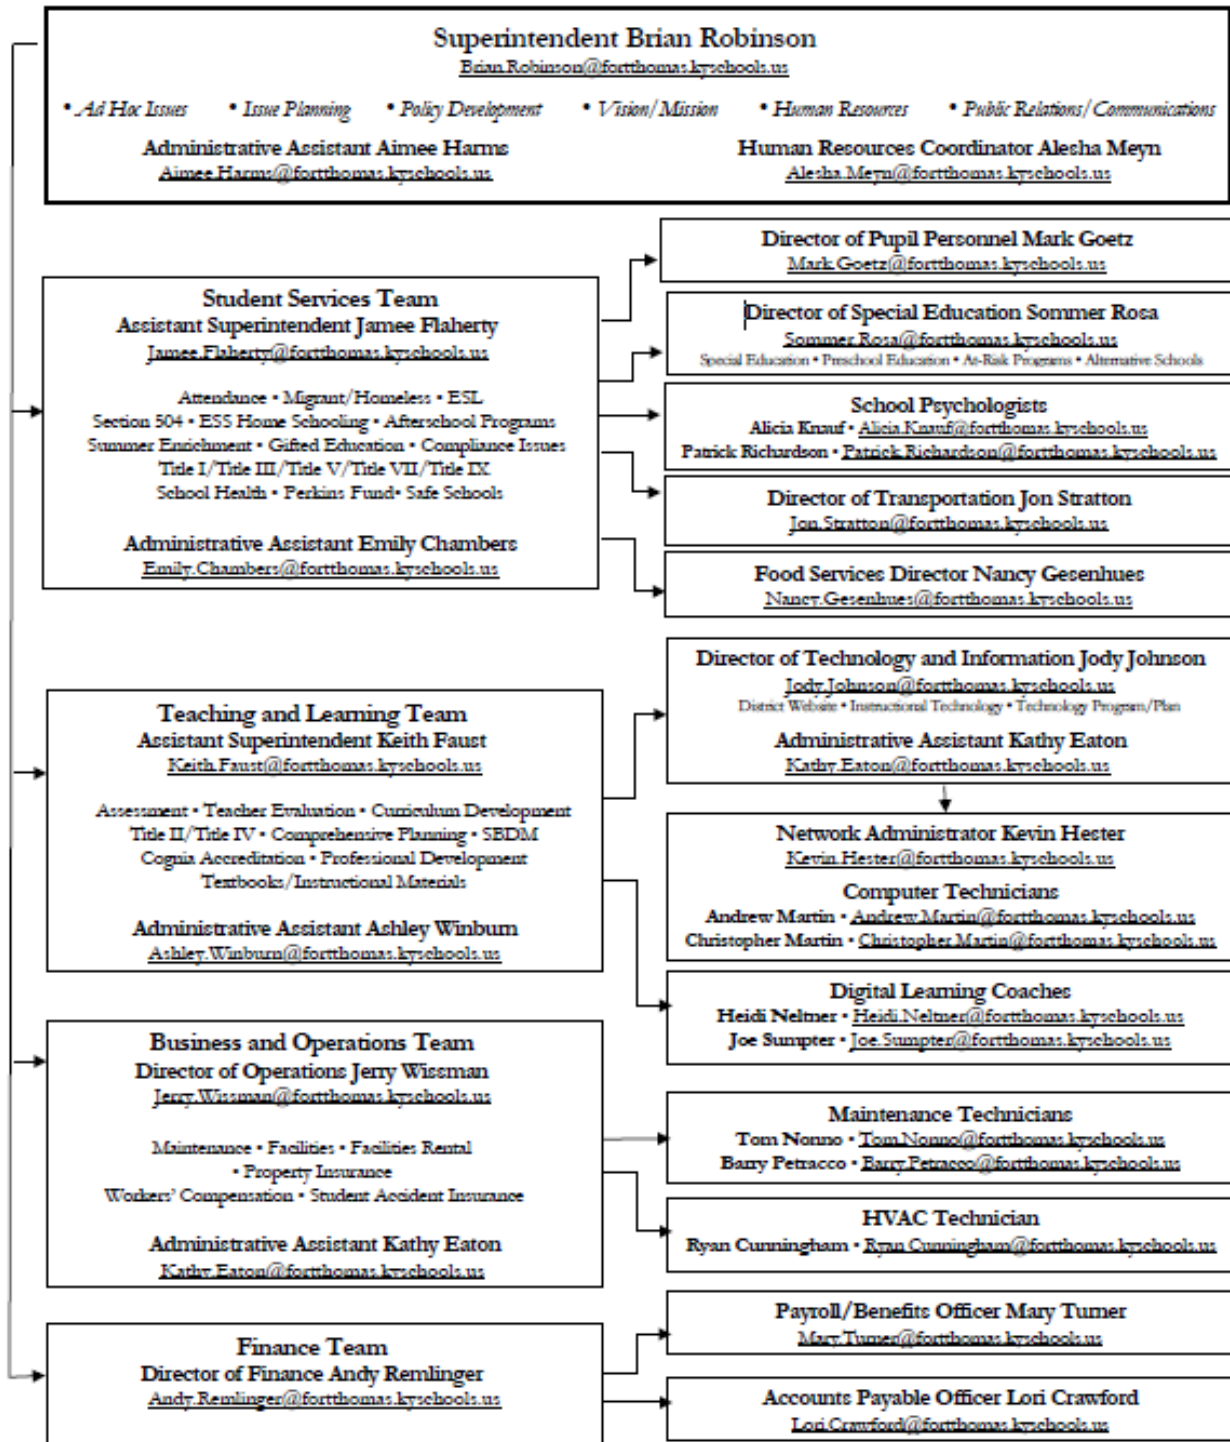

Middle School Applicability

Per 702 KAR 7:065, the KHSAA has responsibility for the regulation of athletics at the Middle School level. An Advisory Committee will set any statewide regulations, with approval from the Kentucky Board of Education and the Kentucky General Assembly through 702 KAR 7:065. This regulation sets very few statewide rules, but requires the establishment of many rules at the local level. Though there is not "membership" for middle schools in KHSAA at this time, the governance model requires local Boards of Education to ensure enforcement of a variety of restrictions, most of which are related solely to the health and safety of the student-athlete and to maintain the proper perspective for interscholastic athletics within the education model.

Future Changes

Although every effort will be made to update the handbook on a timely basis, the Fort Thomas Independent Schools reserve the right, and have the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

**Equal Educational and
Employment Opportunities**

Employment

As required by Title IX, the District does not discriminate on the basis of sex regarding admission to the District or in the educational programs or activities operated by the District. Inquiries regarding Title IX Sexual Harassment may be referred to the District Title IX Coordinator (TIXC), the Assistant Secretary for Civil Rights, or both.

Fort Thomas Independent Schools is an Equal Opportunity Employer. The District does not discriminate on the basis of race, color, religion, sex (including sexual orientation or gender identity), genetic information, national or ethnic origin, political affiliation, age, disabling condition, or limitations related to pregnancy, childbirth, or related medical conditions.

Reasonable accommodation for individuals with disabilities or limitations related to pregnancy, childbirth, or related medical conditions will be provided as required by law.

If considerations of sex, age or disability have a bona fide relationship to the unique requirements of a particular job or if there are federal or state legal requirements that apply, then sex, age or disability may be taken into account as a bona fide occupational qualification, provided such consideration is consistent with governing law. **03.113/03.212**

Education

No pupil shall be subject to unlawful discrimination because of age, color, disability, race, national origin, religion, sex (including sexual orientation or gender identity), or veteran status.

Students who are at least eighteen (18) years of age may submit their own requests. **09.13**

If you have questions concerning District compliance with state and federal equal educational and employment opportunity laws, contact Jamee Flaherty at the Central Office.

Harassment/Discrimination/Title IX Sexual Harassment

Fort Thomas Independent Schools intend that employees and students have a safe and orderly work and learning environment. Therefore, the Board does not condone and will not tolerate harassment of or discrimination against employees, students, or visitors to the school or District, or any act prohibited by Board policy that disrupts the work place or the educational process and/or interferes with an employee's job responsibilities or student learning.

Employees or students who believe that they, or any other employee or student or a visitor to the school or District is being or has been subjected to harassment or discrimination shall bring the matter to the attention of the Principal/immediate supervisor or Jon Stratton, the District's Title IX Coordinator. The District will investigate any such concerns promptly and confidentially.

No employee or student will be subject to any form of reprisal or retaliation for having made a good-faith complaint under Board policy. For complete information concerning the District's position prohibiting harassment/discrimination, assistance in reporting and responding to alleged incidents, and examples of prohibited behaviors, employees should refer to the District's policies and related procedures. **03.162/03.262/09.42811**

Coaches and extracurricular sponsors may choose to have parents of students participating in school activities transport their child to off-campus events when those events take place in Campbell, Boone, Pendleton, Grant, or Kenton counties in Kentucky, or Hamilton, Clermont, or Warren counties in Ohio, or are within a twenty (20) mile radius of the Highlands High School campus. However, coaches and sponsors are required to ensure that families providing their own transportation have signed the appropriate waiver.
3. Coaches and extracurricular sponsors may choose to have parents of middle and high school student athletes provide their own transportation to home events not located on the Highlands High School campus.
4. When a parent provides prior notice to the coach or sponsor, the school will provide transportation to and from off-campus events for those students who have no means of transportation.

(Trip Transportation – continued)

5. At no time will a coach or sponsor be involved in organizing or coordinating a carpool for away or home events. In those cases where mass transportation is not being provided for all student athletes, it will be the sole responsibility of each student athlete’s family to arrange transportation. The school assumes no liability for the transportation safety of the student athletes in these instances. That responsibility rests solely with the parent(s).
6. When transportation is to be provided by the school, only qualified and approved school employees may transport students.
7. Coaches and sponsors are encouraged to contact the Superintendent’s designee with their transportation needs as soon as the yearly schedules for their sports have been completed. Coaches and sponsors must have turned in any fees involved prior to confirmation of requested transportation.
8. Any coach or sponsor needing to reserve a vehicle for an off-campus event should inform the Superintendent’s designee at least three (3) weeks prior to the date transportation will be needed, except in the case of post-season tournaments or events.

Eligibility

Determination of athletic eligibility for students shall be made in compliance with applicable administrative regulations and Kentucky High School Athletic Association requirements. **09.313**

District standards for playing up from middle school (grades seven and eight [7 & 8]) to high school in sports other than football and soccer may include, but are not limited to, considerations related to safety, physical readiness, use of school space after the school day, transportation, funding, the student's disciplinary status and record, any substance testing restrictions, equitable opportunities for participation, and harmonizing any conflicting school-based decision making ("SBDM") requirements. SBDM Council policies apply to the selection of sports activities, and student participation based on academic qualifications and attendance requirements, program evaluation, and supervision.

To be eligible to try out and participate at the high school level, middle school students must meet all applicable KHSAA, District, and SBDM requirements. The Superintendent/Designee in cooperation with principals, SBDM councils, coaches, and athletic directors, as deemed appropriate, may develop guidelines for Board approval addressing playing up standards. **09.313**

A student enrolled in a public charter school that offers any interscholastic athletic activity shall be ineligible to participate in interscholastic activities at any other school. Subject to applicable law, regulations, and bylaws (e.g. KHSAA, Title IX) and the terms of the charter contract, students who are enrolled in a charter school that does not offer any interscholastic athletic activities shall be eligible to participate in such activities at the District school of that student's residence. **09.313**

The eligibility requirements for Highlands High School and Highlands Middle School vary slightly. If students are competing in an activity that is only offered at the high school level (Varsity, Junior-Varsity, or freshman), they are bound by the Highlands High School eligibility rule. The eligibility rules for the respective schools are as follows:

- To remain eligible for participation in extracurricular activities, a student cannot be failing more than one (1) subject at any time. If a student is found to be failing more than one (1) subject, s/he she will not be permitted to participate in any way in any activities for at least one (1) week. At the end of that time the student's eligibility will be re-checked and eligibility determined at that time.
- Failure to meet eligibility requirements will determine whether a student may participate in all school dances and dance-related activities (see previous paragraph).
- Failure to comply with the FTIS weekly academic eligibility report will result in penalties for the head coach and player(s) involved, equivalent to the KHSAA policies.

2. Highlands Middle School

Accordingly, the following guidelines for coaches have been adopted by the NFCA Board of Directors.

Extra-Curricular Code of Conduct Contract

No policy can cover every situation. Highlands High School reserves the right to handle situations that arise which are not detailed in this contract.

Highlands High School maintains the philosophy that its extracurricular programs are an extension of its instructional program. However, Highlands High School further maintains that it is a privilege, not a right, to participate in any given activity. With this privilege comes the responsibility of maintaining high academic, behavioral, and ethical standards. As a student participant, it is mandatory that all district standards of conduct outlined in the student handbook be followed.

Any student(s) involved with alcohol, drugs, tobacco (including e-cigarettes/vaporizers), theft, or any other criminal activity, or who has engaged in conduct that would bring discredit upon any Fort Thomas Independent School, whether during school or vacation periods, is subject to dismissal from the extra-curricular program(s).

A student must display a positive attitude and be willing to work within the team concept established by the coach/sponsor. Failure to comply may result in both school discipline and team discipline, including dismissal from the activity.

A committee including the Principal and/or Assistant Principal, Athletic Director, a faculty member, and the coach/sponsor involved will decide each case separately on its own merit. Penalties assessed by the committee may vary depending on the circumstances and severity of the student's conduct. The decision of the committee is final and only the committee can amend/reverse any penalties levied.

Depending on the nature of the competition, the teacher/coach/sponsor shall coordinate needed transportation with the Principal/designee.
2. Coaches and extracurricular sponsors may choose to have parents accept responsibility for providing transportation for their child to off-campus events when those events take place in Campbell, Boone, Kenton, Pendleton, or Grant Counties in Kentucky or Hamilton, Clermont, or Warren Counties in Ohio, or are within a twenty (20)-mile radius of the Highlands High School campus. However, coaches and sponsors are required to ensure that families providing their own transportation have signed the appropriate waiver. A separate waiver form will need to be completed for each trip outside the twenty (20) mile radius.
3. When a parent provides prior notice to the coach or sponsor, the school will provide transportation to and from off-campus events for those students who have no means of transportation.
4. At no time will a coach or sponsor be involved in organizing or coordinating a carpool for away or home events. In those cases where mass transportation is not being provided for all student athletes, it will be the sole responsibility of each student athlete's family to provide transportation. The school assumes no liability for the transportation safety of the student athletes in these instances. That responsibility rests solely with the parent(s).

We understand that by signing this Waiver we will assume sole responsibility for providing transportation for our child to/from the off-campus event(s). We both, individually, and on behalf of our child, hereby release the Fort Thomas Board of Education, its officers, agents, employees, and representatives, from any and all responsibility that may arise in any manner connected with this Transportation Agreement.

If an exception to this Waiver is needed and our child requires transportation to be provided by the District, we understand that we must provide advance written notice to the Principal/Designee that allows a reasonable amount of time to arrange said transportation
