

Meet the Nile Garden Community Club

**Kris Thurmon
President**

I have been with NGCC since 2019 when I first started at Nile. I have volunteered at my children's sports and schools. I can't sit on the sidelines!! When I am not helping out I enjoy reading or having breakfast with my friends.

**Heather Nolan
Vice President**

I joined when my oldest started Kindergarten in 2017. When I am not volunteering, I enjoy scuba diving and gardening.

**Catie Marchini
Treasurer**

I joined when my son was in Kindergarten in 2016 and took on the Treasurer role. I decided to get involved because I love to volunteer and help in making the school a fun and positive place for the students. I also think it is very important for my kids to see parents involved and show interest in their school life. My favorite interest is traveling and spending time with my family.

I am excited to serve as Secretary in 2024. I feel that being involved in the School Community and staying informed in my children's education at school is important. I enjoy camping with my family and friends and also find interest in cooking. I am looking forward to stepping into the new position as Secretary for the Nile Garden Community Club.

**Ashley Fiance
Secretary**

Nile Garden

What is the Nile Garden Community Club (NGCC)

Community Club

The Nile Garden Community Club has fundraisers during the school year in order to provide our Panthers and their families with fun and beneficial activities.

Our fundraisers include our Pumpkin Patch in October, selling pies during November and our big event, the Jog-a-Thon in April.

Fun and beneficial activities that we are able to do from those fundraisers are our Fall Festival, Candy Cane Lane, pay for busing for students to take field trips, help pay for those less fortunate to attend Science Camp, provide teachers with extra classroom supplies, pay for an art teacher to go to all classes, have fun school assemblies as well as help with prizes and activities for our PBIS rewards system.

The Community Club could use help during these activities and hoping we can count on you!!! Please follow us on Facebook, email us asking to be added to our mail list or visit our table at Back To School night to see how you can help!

1st Meeting will be
in Staff Lounge 8/8
at 6pm
